An exciting opportunity has arisen for a passionate and talented Leader of Humanities to play a key role in shaping the curriculum of our outstanding, multi-faith school as we open the secondary phase of its development.

Unique features of this role are:

- The chance to design an all-through curriculum for your subject area
- A bespoke CPD package relevant to the successful candidate's career stage
- First-hand experience of senior leadership through regular opportunities to work alongside the Senior Leadership Team and lead on whole school learning and teaching projects.

This post would suit either an experienced Middle Leader or an ambitious, aspiring Middle Leader with a strong record in the classroom as well as a Geography or History specialist.

Nishkam School West London will be a flagship school for our Trust, offering all-through provision on an expansive 11-acre green site. Opportunities like these are few and far between and will interest those with creative minds and high aspirations, seeking to inspire a new generation of children through a values-led, multi-faith curriculum. The journey will be one of leading a curriculum area within this new institution to excellence and growing the team to capacity, which will be immensely rewarding for the right individual.

Background: Nishkam School West London is an innovative state of the art all-through 4-19 school. Nishkam's outstanding primary school opened in 2013 and the secondary phase is due to open in September 2018, with a four form entry in Year 7 of 100 pupils. The school is part of a highly successful Multi-Academy Trust (4 schools, 2 nurseries; 1 vocational college in Kenya).

The new school building and site will open ready for the new intake in September 2018. The primary phase of Nishkam School West London, (Ofsted Outstanding 2016), will also move to the new site in September 2018.

- Leadership and management at all levels are of exceptionally high quality. Leaders constantly check the quality of teaching and learning and provide very good support for any teacher who needs to develop their practice.
- Exemplary leadership and management skills ensure that the school's values are central to developing pupils' learning and mind-set.
- The school's vision to 'offer excellence... and inspire children to learn' pervades the school. As a result, pupils are motivated and have high aspirations.

Ofsted-October 2016

As Curriculum Leader for Humanities at Nishkam School West London, you will work in a pioneering group, Nishkam School Trust (NST). NST is one of the first multi-academy free school trusts in the UK. The Trust has opened two free schools in Birmingham (a primary in 2011 and a secondary in 2012), both of which are judged Ofsted Outstanding, and a third, a primary free school in Wolverhampton. We are looking for a highly committed and innovative Middle Leader to work in close collaboration with other Middle Leaders in both the secondary and primary phases across the Trust.

NST has developed an inclusive values-led, multi-faith educational approach that nurtures pupils of all faiths and those of no particular faith. The Nishkam ethos is to help grow a selfless mindset, aspiring to excellence as well as going beyond ourselves to serve others, to create supportive communities and to realise our true potential. This pervades every aspect of the school.

The Role

The role will commence in September 2018. You will:

- design the inaugural curriculum for your specialist area(s)
- have the rare opportunity to work collaboratively with primary colleagues and co-construct your specialist area's curriculum from Year 13 to reception
- have a strong voice in shaping the everyday practice of the school as we develop and embed our ethos and routines, especially in learning and teaching
- have the opportunity to share your expertise with other Middle Leaders and subject teachers across the Trust
- be part of a global community of charitable initiatives.

This is an exceptional opportunity to work within a vibrant atmosphere and a supportive setting.

Your leadership role and responsibilities will evolve as your team grows to full capacity in 2024.

The Environment

The brand new school is based in 11 acres of green space in an impressive purpose built single facility housing the all-through school.

Our expectations are that you will:

- believe all pupils can and will achieve highly
- build an environment through a values-led education that encourages compassion, humility, service; and recognises all humanity as one
- ensure excellence in learning, teaching and achievement throughout the curriculum within the context of a faith-inspired, values-led school
- ensure that standards of teaching and learning at GCSE & A Level are a benchmark for excellence and within the top quintile of all schools
- nurture a culture that cherishes childhood, stimulates the spirit of adventure and ignites a passion for lifelong learning
- lead, motivate, support, develop and enrich staff to ensure that all pupils, and staff alike, fulfil their true potential
- develop and implement an enriched curriculum for the school that allows children to both further their own interests and explore new horizons
- develop and maintain the support and active involvement of parents in their children's learning
- build and nurture links within the local community
- contribute to, and maintain the ethos of the Nishkam culture by drawing on best practice across Nishkam Schools, locally and nationally
- report to the Senior Leadership Team of Nishkam School West London
- work closely with the Local Governing Body
