About Ark Victoria Academy

Ark Victoria Academy is a high performing school across all key stages, providing pupils with a unique journey in their education through the curriculum, personal development programme, student experience offer and the vast range of opportunities that we are able to provide as an all-through school. 82% of all grades awarded at GCSE 2022 are grade 4 and above, against a national figure of 73%. 72% of students gained a grade 4 or above for English and maths. At KS2 77% of pupils gained the expected standard in reading, writing and maths, against a national figure of 59%. Our GCSE Progress 8 score of +0.45 puts us in the top 15% of all schools in the country.

Whilst being a large school, we are able to retain a family feel, to nurture our pupils through their schooling and ensure that they leave us with the skills and qualifications necessary to continue their journey of life-long learning in a university or career of their choice.

It's for this reason that Ark Victoria Academy was judged 'Good' by Ofsted in May 2019, with a strong emphasis on expert subject knowledge from our teachers, strong teaching and leadership and a focus on excellence for our students and staff.

At Ark Victoria Academy we take safeguarding very seriously. All adults who regularly work on our site are required to undergo a Disclosure and Barring Service (DBS) check to prevent unsuitable people from working with students.

Ark is committed to safeguarding and promoting the welfare of children and young people in our academies. In order to meet this responsibility, we follow a rigorous selection process. This process is outlined here, but can be provided in more detail if requested.

I joined our academy in 2019 and am working hard with our pupils and staff to make sure our school continues to improve. We want to provide an excellent education for each and every one of our pupils.

As Principal, it is my responsibility to create an environment in which your child can become a confident, articulate, resilient and kind young adult. Our curriculum, enrichment programme and student experience days, help ensure our pupils learn, thrive and make progress. We are committed to preparing and supporting our pupils to go on to pursue careers they are passionate about, contributing positively to society and living happy, healthy and fulfilled lives.

Our school community works hard to ensure our values of being **ambitious**, **resilient** and **kind** underpin our work and are upheld by us all.

We know that all children can and will achieve success and our dedicated staff work hard to nurture, support and provide challenge, to make this a reality. We welcome and value the input of carers and parents; together, we work hard to help realise the dreams and ambitions of our children and their families.

Please take a look around our website to find out what we can offer your child. The best way to really understand our school is to experience it. I would love to show you around and answer any questions you may have.

Ms Ela McSorley, Principal

Primary Headteacher

Welcome to the primary Phase of Ark Victoria Academy.

The primary phase begins in Nursery and continues into Reception where we take in 90 pupils each year. We are incredibly proud of the start we give our pupils in Early Years, laying the foundations for the educational journey they will continue through to Year 11.

Our values of ambition, resilience and kindness underpin all the work that we do within our academy. We have high expectations and expect our pupils to work hard in order to achieve their full potential. Our academy is a calm environment where pupils behave well at all times.

Our classrooms are purposeful learning environments where children debate, discuss and develop their ideas with confidence and respect. Reading is at the heart of our academy. We know how important it is that pupils move into Year 7 able to read well. Our love of reading is visible throughout the school and in every classroom. We dedicate time to high quality teaching of reading in every phase, listening to pupils read regularly and developing children's passion for reading at every opportunity.

We pride ourselves on knowing every child in our care and our curriculum is planned, sequenced and delivered with our pupils at its heart. We dedicate time to ensuring pupils develop the core knowledge and skills they need in preparation for secondary school and enrich our learning with a wide range of extra-curricular activities.

We understand the importance of working together with parents and have regular opportunities for parents to come into school. We regularly share ways to help children at home, celebrate the work they have been doing and share information about the progress our pupils are making. We are always available (you will see us on duty every day before and after school!) so please do approach us with any questions you may have.

We feel privileged to be part of an all through academy, preparing our pupils for the secondary phase of their education which builds seamlessly on the work we do in primary. Staff in Year 6 work very closely with Year 7 staff to ensure a positive transition experience when children move into the next phase of their education with us. We ensure that children's individual needs are met, families are supported and our high expectations are maintained. We believe in each of our pupils and we are very proud when we hear of their success as they move into secondary school and beyond.

Mrs Victoria Twort, Primary Headteacher

Being part of the Ark network

Ark is an international charity, transforming lives through education. We exist to make sure that every child, regardless of background, has access to a great education and real choices in life. We know that great schools need great teachers, which is why we offer you the very best training and support at every stage of your career - from starting out as a trainee to running your own school.

Our highly-successful network of 37 schools educates over 20,000 students across Birmingham, Hastings, London and Portsmouth. They are achieving some of the best results in the country despite being largely in areas of historic academic underachievement.

Ark schools prioritise six key principles: high expectations; excellent teaching; exemplary behaviour; depth before breadth; more time for learning; knowing every child.

Ark invests significantly in a number of professional development programmes which complement academy level training:

- The Ark training menu: we have developed a bespoke training menu, which is accessible by all staff in the network offering a wide range of training modules to staff in all roles
- Network support: schools share CPD, allowing us to share best practice and role specific training across the network, facilitated by in-school and central staff
- Ark staff receive 10 training days each year rather than five creating time to collaborate with subject specialists within each school and across the network

Ark is at the forefront of changing education society through education. You can read more about how Ark is transforming lives through education [here](#).
