CHASING HORIZONS

Welcome from our Chief Executive Headteacher

Dear Candidate

Thank you for your interest in being a part of the Gipsy Hill Federation. We hope that you enjoy looking through the information provided, and that you decide to apply and join our brilliant team. This is a great place to work and provides real opportunity to progress your career. Our family of highly inclusive schools is a very happy place with genuinely fantastic staff and really lovely children. We comprise of eight primary schools across Lambeth and Southwark Boroughs.

The success of our Federation is due to unparalleled team work. There are multiple sources of support to draw upon and many outstanding colleagues to support you both early on and later in your career as you develop. Every week our teachers plan the curriculum together in teams – which is a great way to share expertise as well as workload and we strive to ensure that every individual teacher has full ownership of their planning to both meet the needs of their specific class cohort and reflect their own creativity and style.

We are a values-driven family of schools sharply focussed on community transformation and providing our children and families with life-changing educational opportunities. Think about your skills, expertise and ambitions carefully and apply for a post with us if you like what you see. We encourage you to familiarise yourself with our website and our school inspection reports for more detailed background information. We are a really ambitious family of schools and are keen to recruit the very best teachers to join our fantastic team.

We're looking for:

- Inspirational teachers to join us on our continued journey towards providing a world class quality of education;
- Someone who works really hard and is generous with their time;
- Staff looking for real challenge and seeking to progress their career through hard work and unlimited opportunities – we welcome ambition;
- Staff who want to be professionally respected, well supported and developed;
- Teachers who have personality and a sense of humour;
- Highly professional, positive teachers who will do almost anything to get the job done to a very high standard and secure the very best outcomes for pupils;
- Creative people who can think 'out of the box' and contribute to our vision, and
- Someone with 'fire in their belly' who will fight for our children to succeed and really care about them.
- Standards are incredibly high for every pupil and all staff members. You will be heavily invested in, protected from peripheral meetings, distractions and competing demands to be able to focus on teaching and learning. The only things that really matter are:
 - Creative, high quality, high impact planning;
 - Sustained excellent marking and response to pupils' recorded learning;
 - Classrooms that are incredibly well-organised and highly stimulating, and last but not least,

- Inspiring delivery and teaching that empowers our children, unlocks their full potential and ensures maximum progress possible.

We will ensure that you have the freedom to innovate and we will nurture your creativity. All our systems and procedures are fully aligned to standards and supporting staff and pupils to achieve their very best.

Although we are a really successful Federation it doesn't mean that our work is ever finished. We're looking for talented teachers to further enrich our organisation and develop our practice. From experience, brilliant teachers do not always realise that they are exceptional; they tend to be highly reflective and are often very modest. If you are keen to continue developing your learning and skills, we can offer outstanding opportunities both within our schools and beyond.

Our newly appointed NQTs will be paid full monthly salary from the point you complete your training course. This means that, being paid over the summer, you can avoid the need to find interim work, have a break and be able to set up your classroom to a high standard ahead of the staff training days and children returning to school. Your full induction into our schools begins in the summer term so you hit the floor sprinting in September.

We are sensitive to considerations such as where you may already live, preference of area and your existing childcare arrangements. If you have any preference of Federation school or locality, please do indicate this on your application form and we will do our best to accommodate you.

Warm regards,

Sir Craig Tunstall
