

# WELCOME TO NEWCASTLE COLLEGE

## ABOUT US

Newcastle College can be dated back to 1894 when Rutherford Memorial College was founded at Bath Lane. Now, we're a further and higher education college, offering hundreds of vocational courses, degrees and apprenticeships to learners across the North East.

Students here learn the skills that employers really need and benefit from first-class facilities, tutors with real experience and opportunities to learn directly from industry experts. Our award-winning student support team helps everyone get the best out of their time with us.

We consider Newcastle College to be at the heart of the North East; a welcoming, supportive, inclusive and safe place, where you can be part of our vibrant and diverse community.

We are passionate about developing the skills and talents of our students so that they can succeed in modern enterprise and make a positive contribution to the prosperity of our region.

Every colleague at Newcastle College, whether teaching or supporting our students, has an important role to play. In return, we aim to provide a rewarding and supportive environment, in which we will help you to develop and reach your full potential.

## SOME OF OUR BEST BITS

In 2018, Newcastle College was awarded the Queen's Anniversary Prize for our delivery of vocational education in our Transport Academy. We also hold the Matrix Award for Information, Advice and guidance and have achieved an EcoCampus Silver Award.

We began offering higher education many years ago and were one of the first further education colleges in the country to be awarded Taught Degree Awarding Powers. These allow us to develop and deliver our own Foundation, Honours and Masters degrees. As of 2018, we officially deliver our degrees through Newcastle College University Centre, after being awarded University Centre status and we also hold TEF Silver status.

## KEY FACTS:

- 16,000 students choose Newcastle College every year
- 10 buildings offering specialist facilities
- A city-centre campus that puts us in the heart of Newcastle
- We offer hundreds of courses across further education, higher education and apprenticeships
- We work with employers and partners across the North East to support our region

## WE ARE PART OF NCG

Newcastle College is part of the NCG group of colleges. NCG's mission is to 'enable social mobility and economic prosperity through exceptional education'. NCG exists to create life-changing opportunities for people that strengthen the prosperity of their local communities.
