Salary: Leadership Scale L11 – L16

Start Date: September 2024

Could you be one of our new Assistant Headteachers? We are seeking to increase the capacity in our leadership team to focus on behaviour. The successful candidate will be joining us at an exciting time in the school's journey.

You may already be in a senior leadership position or you may be an experienced middle leader in managing behaviour, with a proven track-record of success, who is ready to have a whole school impact. As the newest members of our team, you will be learning what it truly means to be a leader from an inspirational team with a history of leading outstanding provision at our school and transforming underperforming schools.

Our new Assistant Headteacher will, of course, be an exceptional teacher in their own right. They will share our relentless drive for improvement, using the latest research to further improve the daily classroom experience of our pupils.

We invite you to join us and model best practice, drive whole school priorities and take our success further. If you have the talent, ideas and vision to be part of our future, we would love to hear from you.
