

Assistant SENDCO

Information Pack

Dear Applicant,

It is a privilege to introduce myself as Principal and to thank you for expressing an interest in working with us here at Fullhurst Community College. To be part of Fullhurst Community College is to transform lives. We are proud to serve a diverse community of over 1150 students, aged 11-16 years, on our large site in south west Leicester and are oversubscribed each year

In 2016 our Progress 8 measure was +0.48, the highest in Leicester and in 2017 it was +0.64, placing Fullhurst in the top 200 schools in England. Whilst we currently do not have confirmed progress scores for 2018, what we do know is that our 5+ percentage in English and Maths rose by 12% and 4+ by 11%. These outcomes are exceptional; demonstrating the strength of our curriculum and that all groups of Fullhurst students achieve beyond national targets. We are extremely proud of our students' progress and achievement which continues to increase year on year.

Due to both the success and the popularity of the college, Fullhurst is currently expanding in student numbers and over the next three years we will grow to accommodate 1500 students. To facilitate this, a new build is being developed in conjunction with Leicester City Council on Ellesmere Road. We have named this site Fullhurst Fosse Campus; it will operate as a Key Stage 3 hub from August 2019. As a result, we need to increase our staffing capacity and therefore these roles are being advertised.

Fullhurst Community College was inspected by Ofsted in January 2018. The visit was the first short inspection carried out since the college was judged to be good in October 2012. We are very proud to announce that Fullhurst Community College continues to be good. The report states; "Staff work hard to maintain the schools many strengths and improve the school further. There is a clear-sighted focus on improving GCSE outcomes, combined with a deep-seated moral commitment to serving the needs of the young people in the area, especially the most vulnerable." Challenge Partner reviews, most recently in 2017, suggest the school has many outstanding features. In 2017, Fullhurst was recognised by the Department for Education as Secondary Regional Champion at the Pupil Premium Awards, In December 2017, we were extremely proud to be announced as the Leicester Mercury School of the Year 2017 and in June 2018, we were announced as Silver Award winners in the Pearson National School of the Year Awards.

Your involvement in our journey to outstanding cannot be underestimated. You will have ample opportunity to share in and enhance our current good practice. The potential for your own professional development is outstanding and we provide excellent support for new staff.

If you have any questions please do not hesitate to contact the college on 0116 282 4326 or via email recruitment@fullhurst.leicester.sch.uk Visits to the college are welcomed and encouraged; please contact us to arrange a convenient time. I look forward to receiving your application and accompanying letter explaining why you are a suitable applicant for the position.

Yours faithfully

S Piggot Principal

Transforming lives at Fullhurst Community College

Fullhurst Community College's priority is to provide the highest quality education for every student in a supportive and inspiring environment. It is our aim that students leave the college as successful, confident and responsible young people equipped with academic qualifications as well as the personal and social skills to enable them to succeed and make a positive contribution to society. We take great pride in seeing our students flourish and move on as confident young adults.

Our newly built Fosse Campus has been designed to echo the current Imperial Campus, with the blending of the traditional heritage of the front of the site with the new build at the rear. The continuity across the two sites maintains the college's strong branding and identity and will aid the transition of students between the two campuses.

The new campus has involved refurbishment and extension of the current building as well as the construction of a new teaching block including new classrooms, science labs, a music room, food technology facilities and a drama studio. There is also external landscaping, with car parking and play areas, plus a courtyard with outdoor dining facilities. Fullhurst Principal, Mr S Piggot, said; "We're very proud of our growth over the past few years, with Fullhurst now being rated in the top 200 schools nationally. The learning environment is vitally important for both students and staff. Getting these state of the art new facilities will not only allow us to welcome more new students to the college, it will also help us to continue to raise standards."

We offer a broad and balanced curriculum designed to ensure that every student has the opportunity to fulfil their potential. Students follow personalised pathways for learning which meet their individual needs. All students learn more about the world around them in Citizenship and RE lessons and through our tutor programme. Careers education, information, advice and guidance is offered to students in each year at Fullhurst Community College including trips and workshops, work experience and mock interviews.

We strive to ensure that work is closely matched to students' abilities and rigorous enough to provide the challenge necessary for students to achieve their very best. We know that some of our students have individual learning needs which may affect their progress across the curriculum and we have a committed team of teachers and teaching assistants trained to support students with a variety of needs, able to facilitate in class support, small group work and individual one-to-one support. Students showing aptitude in specific areas will join our more-able groups which run in all curriculum areas.

The positive benefits of the Pupil Premium can be seen across the college and particularly in the increasing percentage of students making better than average progress. We were extremely proud to be announced as Secondary Regional Champion at the Pupil Premium Awards 2017. The award recognises the college's success in raising aspirations and ensuring disadvantaged students can fulfil their full potential. We're continually looking to improve the outcomes for our students.

What staff have to say about Fullhurst Community College

"When I joined Fullhurst I was immediately impressed by the supportive nature of the staff and the desire that all staff share to make a difference to the students who attend the college. This has not changed in the time I have been at Fullhurst. I have had the privilege of leading on Teaching and Learning over the past few years, and have seen the college go from strength to strength in that time and know that we all share a desire to enable students to achieve the best possible outcomes that they can during their time with us. Fullhurst is a great place to work."

Mrs C Bailey Deputy Principal

"I started working at Fullhurst Community College as the Standards and Progress Leader for Maths and ICT in September 2016. Having worked previously as a second in department at a different school in the city, I was ready to influence students' lives on a wider scale and this seemed the best opportunity to do so. When I stepped into Fullhurst Community College, I knew that this was where I wanted to work. The college's goals fall in line with my personal goal as a facilitator of learning, which is that 'every child irrespective of their background has the right to achieve and do well to the best of their capability'. The belief that teachers have in their students is the driving force behind our success. Students know that you genuinely want them to do well, and this dedication from both parties brings about the brilliant results the college continues to achieve. Staff development is also at the forefront of the leadership team and at Fullhurst I have been given opportunities to embark on courses to improve my leadership skills. Students at Fullhurst genuinely want to do well and the college provides them with the environment to do so. It is amazing to be part of the success story of a college which improves the lives of students in their community, giving them a chance to stand tall as equals with students from all over the country."

Mrs V Adeniyan

Standards and Progress Leader, Maths and ICT

"Since joining as a fresh-faced NQT in 2012, I have seen Fullhurst go from strength to strength. The staff working here are an incredible team, which is reflected in the results, which continue to improve year on year. I have had the pleasure of teaching a diverse range of amazing young people at Fullhurst, many of whom still have strong ties to the college and keep us updated on their successes. Hearing about these positive outcomes is so rewarding and a big part of why I am still enjoying my time here six years later. I am proud to be part of the team as the college expands and very excited to see what happens in the future."

Mr T Jones

Teacher of English and Film Studies

"I started working in education in 1992 as a teaching assistant in a primary school. In 1994, I began working as a TA at a secondary school mainly with two students with SEN, this was a very unusual role at the time. When the students left I became a science technician at the school. I joined Fullhurst Community College as a science technician in 2005. I have seen lots of changes over the years, for the better. I have been through several Ofsted visits with the college attaining higher outcomes each time. Working here is very rewarding, the staff are a great team, working together for the benefit of our students both academically and in their own personal development. Expectations of students are high and staff work together to help them achieve their best. Fullhurst is also a fun place to be!"

Miss T Marlow Technician, Science

"I joined Fullhurst Community College straight after a successful School Direct programme and completed my NQT year here. Fullhurst have a fantastic NQT programme where you gain outstanding support to help you develop to become the best teacher you can. Two years later I was fortunate to be offered the position of Head of Physical Education. The reason I applied to work at Fullhurst is their ethos of transforming lives. I believe that as a teacher, you can provide every student with equal opportunities so that they can reach their full potential and that is exactly what Fullhurst offer. Working with a variety of students from completely different backgrounds, I find to be very rewarding and enjoyable. Every day something new can happen which keeps you on your toes! I love working here because you feel like you make a real difference to our students' lives in both their academic and personal development."

Miss M Bird Head of PE

"I started working at Fullhurst Community College as receptionist back in 2008. I chose to work here because I had heard positive things and wanted to be part of a school that was evolving. After a time, I found myself really enjoying the engagement with the students, at this stage I knew I wanted to be in a role that offered more and found myself interested in the pastoral route. I became the Assistant Head of Year 8 and enjoyed this experience very much. Later I progressed to Head of Year, rolling with our year groups and every year group brought its own challenges and rewards. Four years on, I am now the static Head of Year 11 and loving it. I really enjoy this role as I get to see the students through their most crucial year and help support them through college applications and exams. It is also amazing to come and be a part of results day and makes it all worthwhile! I enjoy working here because I like being part of a fantastic pastoral team that is dedicated and committed to helping our students achieve their best. I enjoy the daily challenges and I look forward to even more future successes."

Mrs R Buckle Head of Year 11

"I joined Fullhurst in 2014 as a Curriculum Leader in the Mathematics & ICT Faculty. I have been supported effectively throughout my time at the college which has allowed me to professionally develop quickly as an individual and enabled me to make a bigger impact on the outcomes of our students. It is clear that Fullhurst is relentlessly driven by a clear moral purpose of improving the life chances of all of our students. This is done not only through the curriculum we deliver but the huge variety of extra-curricular opportunities on offer. I am proud to be a part of the positive impact that Fullhurst Community College has on students, staff and the community".

Mr S Willcock Assistant Principal

"I joined Fullhurst Community College in 2013 as Cover Instructor. Having graduated from university at a later stage of my life, I wanted to make a contribution to society by working with teenagers from challenging backgrounds. I work closely with staff and students which enables me to develop relationships of mutual respect and trust with colleagues and at the same time build positive relationships with my students. At Fullhurst, staff are encouraged to develop their skills and are given ample opportunities for professional development. This motivated me to apply for a new position and in autumn 2018 I was successful in securing the role of English Mentor. I am passionate about English, as a mentor I teach English to small groups of students and I thoroughly enjoy the outcomes I achieve. I chose to work at Fullhurst because I wanted to make a difference to young peoples' lives. If you are passionate about transforming and improving the lives of young people, then this could be the school for you."
