

Saint Martin's

An Exceptional Independent School for Girls

**Candidate Brief: Modern Foreign Languages - Teacher.
Full-Time. Required for September 2018**

School Life

Saint Martin's School is situated in a stunning twenty acre site in the centre of Solihull and located in the grounds of the historic Malvern Hall. The Hall, once owned by the Greswold family, has a unique link with the landscape painter John Constable who visited early in the 19th century.

The School was founded in 1941 and has a tradition of providing the very best education for girls from Nursery through to Sixth Form, from 3 - 18 years old. Our academic expectations are high and Saint Martin's is a school where girls succeed to the very best of their ability. Our girls grow up in a supportive community where each girl is encouraged to reach her full potential.

Our small class sizes ensure that girls are given individual attention and guidance. They are taught in a stimulating environment, with a supportive combination of both academic and pastoral care at all stages of their school life. Every girl in our care has a wide range of extra-curricular opportunities to choose from in order to promote and develop individual talents as well as new interests. Girls develop the skills, knowledge and personal qualities required to enable them to adapt to a world where the way of working is undergoing rapid change.

The school is a non-denominational Christian school where respect for others is paramount regardless of their faith or background. The enthusiasm of girls to look beyond themselves, to understand the global dimension of the world in which they live and to seek ways of helping others are important elements of our School community.

The School Motto is "The Grace of God is in Courtesy" and the Code of Conduct, written by the girls, is central to the expectations of daily life.

Our staff aim to provide an all-round education of the highest quality in a safe, happy, supportive and stimulating environment. All staff give generously of their time and energy to enhance the educational experience and to give support to the girls both in and out of the classroom. The girls are able to take part in a wide range of extra-curricular activities, enrichment clubs and educational trips to support their academic learning. Communication with parents is a high priority and contact is very much encouraged, in addition to the regular programme of parent evenings and formal reporting.

**Candidate Brief: Modern Foreign Languages - Teacher.
Full-Time. Required for September 2018**

Our School House system encourages girls to interact with their peers across all years within the school. House Points are awarded as a reward for effort, achievement and perseverance across the curriculum, sporting endeavours and also any extra-curricular activities that girls may dedicate time to. These can include participation in the School play (either on stage or behind the scenes), the annual Charity Music Concert and Debate Club. The wide range of Inter-House activities and events ensures that all girls can take an active part, whatever their interests, enabling them to feel part of the Saint Martin's community.

Academic Results

Our staff are passionate about their subjects and about sharing their knowledge with the students. The school uses baseline data to support assessment and progress, and there is an established reporting schedule to provide regular feedback to staff and parents. Our personal tutor system aims to support each student academically and pastorally.

The academic results of the girls speak for themselves. In 2017 the Upper Sixth students received a record number of top grades and all gained places in their first or second choice University. At GCSE, girls gain on average 10 GCSEs. The School was placed in 27th position in the DfE League tables following the 2016 GCSE results. The School was last inspected in November 2017 by ISI and a copy of the Report is also on the website.

Facilities

Our beautiful listed building, Malvern Hall, lies at the heart of our school site. The grounds behind the school hide a wealth of facilities, including separate blocks for Nursery – Year 2, Junior School and Sixth Form. We also have the Saint Martin's Arts Centre (SMArt), opened in 2012, providing a purpose built space for performing arts. Our sports facilities include 20 acres of grounds, all-weather astroturf pitches, an indoor swimming pool and sports hall.

The Curriculum

Nursery to Year 2

Within the setting of Malvern Hall there is a safe and secure environment where the children are able to benefit from the extensive grounds. It's a happy, friendly and stimulating place to be and with the guidance of experienced teachers our children follow a broad curriculum. Working individually and in small groups they achieve their full potential.

Emphasis is put on oral fluency in the early years, in order to develop a wide vocabulary, encourage clarity of expression and foster an ability to reason. This is achieved initially through a variety of pre-reading and practical number activities which prepare the children for the more formalised schemes of Mathematics, Writing, Reading and Language Development. Science and Technology are also taught as individual subjects and are introduced at a very early stage, as is ICT. The use of computers is introduced in the Nursery and, as they progress, the children use them in all subject areas. An enrichment programme including Music, Dance, PE, Art, Craft and Drama is included in the curriculum for the whole school and, from Nursery; children also receive weekly swimming lessons. Throughout, careful attention is paid to the requirements of the National Curriculum and each child's learning is individually structured and monitored by the form teachers who liaise closely with parents.

Small classes ensure that each girl develops her aptitudes and abilities to the full, and is helped to achieve a high level of attainment, so that she may move on with confidence. Extra-curricular activities play a large part in the formation of a girl's whole personality. Consequently all girls take part in the annual play, and educational and cultural visits are arranged each year for each class. As the girls progress, there are opportunities to join Music groups and Sports teams.

The Curriculum (continued)

Junior School – Year 3 to 6

The main aims are to combine well-structured learning with enjoyment and enthusiasm and to promote self-esteem and confidence.

Careful note is taken of the National Curriculum. The core subjects of English, Mathematics, Science and ICT have high profile in the weekly timetable; they are complemented by History, Geography, Religious Studies, Art and Technology. These subjects are taught by a combination of form and subject teachers. In addition all girls have lessons in Music and Drama, PE, Games, Swimming and Dance, all taken by specialist staff. Classes are small and pupils are in ability groups for the teaching of Mathematics. The Modern Foreign Languages of French, Spanish and German are taught by specialist language teachers from the Senior School.

Classrooms provide a lively and stimulating environment in which to work. Pupils use specialist facilities for Physical Education, Drama, Dance and Music and each girl uses the networked computer systems with confidence across all subject areas.

Extra-curricular activities include Choirs, including Chamber Choir and Orchestra. The Drama Club is extremely popular. There are a variety of other clubs, which encompass academic and sporting interest. Gym Club, Trampoline Club and a variety of swimming clubs are all popular. Team activities such as Tennis and Netball are popular and, for those of an artistic nature, Art and Craft Club is well attended. Further enrichment is provided by an exciting and diverse range of cross curricular trips and residential visits.

The Curriculum (continued)

Senior School

Girls are encouraged to achieve their full potential in a wide range of academic, practical, creative and physical activities. The staff through differentiation aim to stretch the most able, while at the same time supporting those who lack confidence in some areas of the curriculum. Girls are set by ability for Mathematics from Year 7. From Year 9 the Sciences and English are also taught in sets.

Key Stage 3

All girls follow the same broadly based curriculum in Year 7 of English, Mathematics, Science, MFL, Latin Studies, History, Geography, Religious Education, Art and Design, ICT, Design and Technology, Home Economics, Music, Drama, PE and Dance. In Years 8 and 9, girls have the opportunity to study a second language, Latin or Classics. The three sciences are taught separately.

Key Stage 4

At the end of Year 9, girls currently begin a programme of studies leading generally to examination in ten GCSE subjects. Girls are encouraged to continue with as varied a curriculum as possible in order to allow both a wide choice of A Level subjects and career opportunities. All girls continue with English, English Literature and a Modern Foreign Language, and also Mathematics, Biology, Chemistry and Physics. In addition three other subjects are chosen from the following: History, Geography, Religious Education, Classical Civilisation, Latin, French, German, Spanish, Art and Design, Music, Drama, Food and Nutrition, ICT.

Sixth Form

The majority of girls study three subjects at A Level in the Sixth Form. A wide choice of subjects is offered: Business Studies, Economics, Further Mathematics, Photography and Psychology in addition to those studied in Key Stage 4. Additional subjects such as AQA's EPQ are very popular. There is extensive support given for UCAS applications and career choices, and girls have every opportunity to help develop their leadership skills by helping with the younger girls.

Each year the Upper Sixth are always successful at gaining places at top universities such as Bristol, Durham and Nottingham in a wide range of subjects from Medicine to Psychology to Urban Studies.

**Candidate Brief: Modern Foreign Languages - Teacher.
Full-Time. Required for September 2018**

Beyond the Classroom - Extra-curricular and Enrichment Activities

“An excellent programme of extra-curricular and enrichment activities supplements the taught curriculum most effectively and has a significant impact on the pupils’ personal development.” ISI Inspection Report, January 2013

A full programme of extra-curricular activities and trips enriches timetabled lessons. We believe in offering our pupils the opportunities to develop as individuals, the time to find talents and the support to excel. As such our extra-curricular and enrichment programme is rich and extensive.

During lunchtime and after school, girls have the opportunity to join choirs and musical ensembles, take part in drama and dance groups and be part of one of the many sports teams. In addition there are clubs to suit all interests including bridge, gardening, craft, Christmas cake decorating, Spanish and debating. There are annual concerts and drama performances for all year groups. Last year’s highlights include the Alice House Nativity, the Year 5 performance of “Grimm’s fairy Tales”, the Junior School musical recital and the Senior School production of “The Lion, the Witch and the Wardrobe”.

In addition to our many extra-curricular clubs we believe that learning takes place outside of the classroom as well as in school. Girls in Alice House learn about the outdoor environment through the “Forest School” programme. In the last year, as part of their learning the girls in Alice House and Junior School have visited the Butterfly Museum in Stratford, the design and manufacturing departments at Jaguar Land Rover and enjoyed a trip to the theatre to see “Gangsta Granny”. In the Senior School the Geography department organizes field trips for all year groups, Drama students have the opportunity to see local and national productions and Art and Design Technology students visit major exhibitions in London. These trips are just a snapshot of the variety of trips on offer to girls.

Overnight and residential trips are organised for girls of all ages. These include “sleepovers” in school, outdoor pursuit weekends at PGL, a visit to London for girls in Year 6, the ski trip, the Classics trip to Bath and the annual Sixth Form cultural trip which was to India in October 2016.

Modern Foreign Languages

The Department

The Modern Foreign Languages Department is a thriving and successful area of the school. We offer French, German and Spanish in the core curriculum and all three are offered to A Level.

MFL is taught in a suite of specialist classrooms with access to the school's ICT network and a computer projector in each room. Teaching is well supported with textbook, audio and online resources but we always look to embrace innovation in the classroom. It is our aim that girls should enjoy their languages and be confident communicators and active learners.

We are a happy, cohesive and supportive department and would look forward to embracing the professional development of a new colleague.

Key Stage 2

Girls in our Junior School follow a language carousel of three languages over four years, moving from an awareness of different sounds in Year 3 through to writing paragraphs on familiar topics in Year 6. A willingness to be involved in the delivery of this programme would be welcome.

Key Stage 3

Girls in Year 7 study one Modern Foreign Language. In our current Year 7, there is one group for each language and the biggest group size is 20 girls. In Year 8, girls may opt for a second MFL or pursue their studies of Latin or Classics. Girls stay with these choices for the rest of Key Stage 3.

Key Stage 4

For GCSE, girls may choose either or both of their Key Stage 3 languages. Nearly all girls do at least one language to GCSE, sometimes in ability groups depending upon the profile of the year. Girls are entered for the AQA examinations and results have been consistently excellent in both GCSE and IGCSE. All groups are currently preparing for the new specification GCSE course, with the first examinations taking place in summer 2018.

Sixth Form

A Levels are offered in each of the three languages. Currently in Sixth Form, there are A Level groups in all three. Girls prepare the AQA syllabus. There is also an opportunity for girls to study a GCSE in Italian as part of their Sixth Form Enrichment.

Trips

The department has a long established partner school in Hofheim, Germany, with which we share an exchange every two years. We exchange letters with pupils in both Germany and Spain and would like to forge a link with a French school. Recent MFL trips have included Paris, Poitiers, Munich and Andalucía and we aim to take all girls to a target language country as part of the Key Stage 3 studies. The department also contributes to other excursions such as the Year 10 Battlefields trip. A willingness to take part in trips is an essential feature of life at Saint Martin's.

Classics and Latin

KEY STAGE 3

All girls in **Year 7** will follow a Latin Studies course using the Cambridge Latin Course Book 1. Within the provision of two lessons a week, girls develop skills in the translation and comprehension of Latin, allowing them to progress from knowing no Latin at all to being able to confidently translate passages involving a range of vocabulary and grammar. Girls will also gain an introduction to Classical Studies, focusing on life in Pompeii. There is an overnight trip for all Year 7 Latinists in the Autumn term to explore the Classical world further by visiting Bath, Cirencester and Chedworth Roman villa.

In **Year 8 and 9** girls are allocated to a course of either Latin, Classics, or a second Modern Foreign Language depending on the aptitude they have shown in Year 7. Year 8 and 9 Latin continue the Cambridge Latin Course Books 2 and 3, building upon the language foundations they have gained in Year 7 to explore more demanding Latin passages and grammatical constructions. They also further develop the understanding of life in the Classical world.

In year 8 and 9 Classics girls follow a bespoke curriculum based on the reformed Classical Civilisation specifications. A topic-based programme, exploring both Greece and Rome, enables girls to develop analytical and comparative skills, as well as to consider the Ancient world holistically. Topics include Myth and Religion, entertainment, slavery, with a focus on interpreting primary sources. This course is entirely taught in English.

Both Latin and Classics provide the girls with a sound knowledge which they can build upon during their GCSE studies.

Both Classical Civilisation and Latin are offered as options at GCSE.

Benefits of working at Saint Martin's

We value our staff and are committed to providing a good working environment for all staff and encouraging them to feel part of the Saint Martin's family. There are many benefits to working at the school, including:

- Free parking on site
- Excellent lunch provided during Term Time
- Pension scheme
- Professional development opportunities
- Wellbeing activities, such as staff swimming sessions and running clubs

The Senior Leadership Team

The Senior Leadership Team (SLT) at Saint Martin's School has six members; the Head, the Director of Finance and Operations, the Director of Development, the Head of Nursery – Year Six and two Deputy Heads in Senior School.

One Deputy Head takes responsibility for the academic life of the school and the other Deputy Head has responsibility for safeguarding, behaviour, co-curricular activities and day to day running of the Senior School. The Deputy Heads are expected to be flexible in approach and have a desire to take on new roles or exchange responsibilities for their own professional development or the changing needs of the School. The ability to show extensive initiative with appropriate communication and collaboration is crucial.

Whilst specific responsibilities are allocated to individual members of the Team, we work closely as a team whereby all have a holistic awareness of the School. We are all, therefore, able to contribute to debate and decision making from an informed position and, if needed, we can carry out each other's roles. The Team is committed to the strategic leadership and management of the school and maintains a corporate responsibility for the formulation and implementation of all matters of whole school policy.

The Senior Leadership Team co-ordinates formulation of the ongoing development plan that is agreed by the Governing Body and is subsequently responsible for its implementation.

**Candidate Brief: Modern Foreign Languages - Teacher.
Full-Time. Required for September 2018**

Job Description – Teacher of Modern Foreign Languages

1. Principal responsibilities

Under the direction of the Director of Studies and Head of MFL:

- a) To contribute to the teaching of MFL to pupils aged 7-18, in accordance with the agreed timetable and agreed schemes of work. You will also be expected to carry out MFL specific assessments, including report writing in line with school policy;
- b) To assist the Head of MFL and other colleagues in the development of appropriate schemes of work;
- c) To keep abreast of new trends and educational developments related to the subject which should be used to inform your teaching;
- d) To promote the work of the MFL Department through displays of work within the Department and in other appropriate venues throughout the School and to liaise with the Marketing Department to ensure that news is disseminated digitally;
- e) To take on areas of Departmental responsibility as requested by the Head of MFL;
- f) To assist with the organisation, running and development of an extra-curricular programme including overseas residential trips and visits;
- g) To be an appropriate role model.

2. Additional specific responsibilities

- a) To work closely with the MFL Department to ensure the smooth day to day running of the department;
- b) To keep the Head of MFL informed about pupils' progress, departmental concerns, maintenance of facilities and request for equipment;
- c) To liaise with the Head of MFL to inform parents and other agencies as appropriate to discuss the subject of a pupil's progress in that subject;
- d) To attend regular departmental meetings.
- e) To attend and participate in appropriate meetings with colleagues and parents relative to the above duties and to promote the subject at Open Events;
- f) Willingness to take part in overseas residential trips.

3. Appraisal

- a) To participate in any arrangements that may be made for teacher review.

4. Further training and development

- a) To review from time to time your methods of teaching and programme of work;
- b) To participate in arrangements for your professional development.

5. Child protection, discipline and health and safety

- a) To promote and safeguard the welfare of children and young people for whom you are responsible and with whom you come into contact;
- b) To maintain good order and discipline among pupils and safeguard their health and safety both when they are on the School premises and when they are engaged in authorised school activities elsewhere;

6. General Duties

- a) To carry out a share of supervisory duties in accordance with published programmes;
- b) To participate in appropriate meetings with colleagues and parents relative to the duties and responsibilities listed above;
- c) To attend Open Days, Progress Evenings, Staff Meetings etc
- d) To support and be involved in the House system;
- e) To undertake other duties which, from time to time may reasonably be required by the Head.

The job holder will ensure that the standards of Teaching and Learning are maintained at a high level.

All staff are required to share general supervisory duties. There is a busy programme of Open Days, parents' evenings, staff, department and committee meetings, and all teachers are expected to attend all those meetings which are relevant to them.

NOTE:

The job description may change along with the needs of the organisation and in consultation with the job holder.
