Dear Applicant

**Re: Vacancy for an additional Deputy Headteacher.**

Thank you for your interest in the above-mentioned post. The Governors at Cobourg Primary School are seeking to appoint a second outstanding Deputy Head teacher from September 2018. The successful candidate will work in partnership with our existing deputy on an equal basis, but with separate areas of responsibility.

We are extremely proud of our school and we are looking for inspiring leaders who, alongside the Headteacher, will build productive relationships with our children, their parents and carers, the staff, governors and the wider community.

To the right candidate, this post will be an extremely rewarding experience, an opportunity to really make a difference and, together with our existing Deputy, support the Headteacher to lead the school into the next exciting phase of its development.

You are warmly invited to visit our school; please call the school office to book a visit.

We look forward to receiving your completed application in due course.

Yours sincerely

*Karen McBride*
