

Carre's Grammar School
(part of the Robert Carre Trust)
Founded 1604
Executive Headteacher N M Law BA (Hons)

March 2024

Dear Candidate

Head of Science

Thank you for showing an interest in this post. This is a fantastic opportunity to lead and make a difference in one of the school's strong departments. We are seeking to appoint an experienced Science teacher to lead this successful department, building on its strengths and preparing it for the future. The role is to start in September 2024 and would be ideal for someone aspiring to go into senior leadership. A relocation package may be available for the right candidate.

We have almost 800 students on roll; boys only 11-16, and co-educational in the Sixth Form. The school is part of the Robert Carre Trust and works closely with its partner school, Kesteven and Sleaford High School, as well as with St George's Academy as part of the Sleaford Joint Sixth Form.

The school has long been synonymous with excellence and the school's reputation for providing a first-rate all-round education for local students has been strengthened even further over recent years. The Science department is perceived as a strength and asset in the school, with a large uptake in the Sixth Form. Our academic results speak for themselves while our achievements in Sport, Music and other activities are outstanding.

We have been recognised as one of the top schools in the country based on our performance in the last few academic years, and students have regularly accepted offers for Oxbridge and the top Universities. The friendly, cheerful atmosphere of the school helps our students enjoy learning and, as they grow into young men and women, we enable them to take increasing responsibility for themselves and for others around them.

To the right candidate, this post will be an extremely rewarding experience, an opportunity to really make a difference. I hope that having read the information and looked at the information on the website, you will decide that Carre's is the right school for you and that you will make an application. To do so, please submit the application form and a letter of no more than 2 sides of A4 in which you should cover:

- Your experience of teaching to date;
- Your educational philosophy;
- Why this particular post would suit you;
- How you would help take this department forward; and
- Relevant interests that would enrich students at Carre's.

Completed applications should be emailed to julie.body@carres.uk no later than midday on 19 April. Interviews will take place within 7 days of the closing date, but we reserve the right to call candidates to interview before the closing date.

If you would like further information about the post or an informal discussion, please contact Mr Keith Jones (Assistant Headteacher).

You are warmly invited to visit our school and should contact Mrs Julie Body (Head's PA) to book a visit, but we recognise that this may be difficult, and it does not preclude you from applying or being called to an interview if you are unable to visit us beforehand.

Yours faithfully

N M Law
Executive Headteacher
