We are a warm, happy school with an enthusiastic and dedicated staff, well-behaved children and a very supportive leadership team. We are situated close to the City of London and Canary Wharf in the vibrant, thriving community of Wapping and we have close links to St Peter's Church.

We are seeking to appoint a passionate SEN teaching assistant for children with complex social communication disorders and/or a diagnosis of ASD. Our aim is to provide them with a nurturing environment to develop their social communication and emotional regulation. Within a mainstream setting, you will be well supported by the school SENCo, class teacher and educational therapists to deliver an adapted curriculum suited for the child's needs.

We offer:

- A supportive working environment
- Continuous professional development
- Support from an enthusiastic and dedicated team of therapy staff and teachers who will work alongside you in the classroom.
- Our Speech & Language therapists, play therapists and music therapists aim to maximise each child's potential in a nurturing and supportive environment.
- The school is close to a good transport network and on-site free parking is available.

The school is committed to safeguarding and promoting the welfare of children, as well as promoting equality and diversity for all. We expect all staff and volunteers to share this commitment. The successful candidate will require an enhanced DBS clearance.
