Executive Principal: Mr J M Keating B Ed Hons NPQH

Dear Applicant

## **POST OF TEMPORARY TEACHER OF SCIENCE (MATERNITY LEAVE COVER)**

Thank you for interest in the above post which is for a minimum of two terms to cover the maternity leave of the current postholder, commencing in February 2018.

We are seeking to appoint a highly motivated and enthusiastic Teacher of Science with the ability to teach across both Key Stage 3 and Key Stage 4; someone with a clear vision of successful learning in the subject and the ability to deliver this, ensuring high levels of achievement for students of all abilities.

You will be expected to play a full part in ensuring the welfare and safety of our students as well as ensuring they make good progress both academically and in their social and personal development.

The post would suit either an experienced teacher wishing to extend their experience in our successful environment or a newly qualified teacher. Whatever your level of previous experience, you will find a strong commitment to continuous professional development at Hummersknott and all of our new staff benefit from an excellent induction programme.

Applicants should complete an Academy application form in full as well as a letter of application which outlines your approach to teaching Science, how your experience to date has prepared you for this post and why you would like to work at Hummersknott Academy.

The closing date for return of completed forms is Monday 4 December 2017 at 12.30 pm. It would therefore be appreciated if you could complete and return your application form as soon as possible. Only shortlisted candidates will be contacted. This post is subject to all relevant safeguarding checks which include a satisfactory enhanced Disclosure and Barring Service check.

Yours faithfully

**JAMES KEATING**  
Executive Principal
