### DEPUTY DIRECTOR OF TEACHING SCHOOL: PRIMARY

**Full Time, Permanent** (role commences January 2018 or sooner)

This is an exciting opportunity for a visionary leader to join our Federation steering primary curriculum development and school improvement across our schools and providing advice and consultancy for our Teaching School, Atlas.

This is a pivotal moment in Atlas' development as it matures into a separate entity within the Federation with a core team of permanent staff responsible for initial teacher training, professional development, talent management and curriculum development.

We are looking for an inspirational candidate who will work closely with the headteachers of the Federation's primary schools and the Federation Executive Team to build upon our successes to date and further realise our vision for a Haberdashers' education.

You will have the drive and ambition to achieve high expectations and standards, making a real impact on the progress and lives of pupils and staff across multiple schools. You will be an expert in your field with a track record of raising attainment and the credibility to provide support and challenge to the headteachers of diverse primary schools. A strategic and innovative thinker with entrepreneurial flair you can mobilise and engage others for transformational change. With a deep commitment to improving the life chances of young people you will be a proud ambassador for the Federation and Atlas Teaching School.
