

The Clevedon Learning Trust (CLT) was launched on 1st January 2015 and is made up of Clevedon School together with 6 primary schools. It brings with it a new, innovative and student focused approach to education within our local community. The trust is a vibrant, growing and outward looking organisation and career and professional opportunities within the trust are excellent. We will achieve this through our formal school partnership, using the most effective teaching and learning strategies, the best resources and facilities and the clearest progression routes for our children from the age of 4 to 18.

Yeo Moor is a 4-11 Primary School (365 on roll). Ofsted has judged us to be a good school with outstanding features. We are committed to providing a world class education to the young people of our school community and being centred on growth, development and achievement. We have a strong vision and a well-designed school improvement drive that is based on secure values and the idea that people matter. Clevedon is a lovely place to work and the community we serve value education and share our ideas about aspiration and success.
