Thank you for accessing details of the above post. We hope these details will give you an impression of an exciting opportunity to make an important contribution to our schools. We would strongly urge you to get more of a 'feel' for the life of the school by visiting our websites:

<https://moodle.queenelizabeth.cumbria.sch.uk/> and <http://www.qestudio.org.uk/>. We appreciate that there is much in addition that you would want to know and can assure you that at the interview stage we will share with you as much as is feasible. If there is anything specific you wish to know at this stage please don't hesitate to get in touch.

The Post

This post becomes available due to some exciting changes in the PE department creating the need for 2 teachers of girls' PE. It's not often a full-time post becomes available in our PE department, let alone 2, so this is a rare opportunity to contribute to the building of a friendly, committed, successful and vibrant team that is committed to put our pupils at the centre of our motivations to make a difference to their lives. Indeed, there couldn't be a better place to develop the skills needed to become a first-rate teacher. As a Teaching School, we offer all levels of professional training and our NQT programme is particularly well regarded. This post will offer opportunities to teach at all levels and to all abilities and consequently we will be looking to appoint someone with significant qualities and great potential. It

probably goes without saying that since sport is a key factor in what makes QES and QESstudio such a special place, we would only appoint someone prepared to devote a lot of time to extra-curricular activities.

The Person

As suggested, in order to ensure the development of a successful school ambitious to improve still further, we intend to appoint only staff of the highest ability or with the greatest promise. Working at our Trust is demanding but the rewards are commensurate in a community with a strong, highly motivated staff, very good facilities, a lovely environment and pleasant, friendly and highly motivated pupils.

We expect to appoint a teacher of Girls' PE who has:

- enthusiasm, energy, a genuine passion for PE and Sport and real promise as a teacher
- compelling personal qualities, an ability to form positive relationships with people and the ability to enthuse and inspire both pupils and staff
- a sense of humour and proportion
- an ability to communicate effectively
- the ability to work hard under pressure
- a specialism in Netball or Hockey, and has played/coached or is playing/coaching to a high standard
- the ability to deliver curriculum PE and Sport across the full range of activities
- impeccable administrative abilities and a highly efficient demeanour
- a commitment to enhancing the community or extra-curricular life of the school
- excellent IT skills
- a keen intellect and an excellent academic background
- a commitment to professional development.

This list may seem daunting but should give you some idea of the importance with which we regard PE. We have a supportive ethos and a commitment to structured professional development. The person appointed can expect much help, guidance and support from colleagues, school leaders including Phil Houghton, Assistant Headteacher, Dan Williams, Director of PE and Sport, Alison Blackburn, Head of Academic PE and, of course the current PE staff.
