English Tutor

Thank you for your interest in this post and for taking time to find out about us. The South Wolds Academy and Sixth Form is a fantastic school. Superb relationships with students underpin all of our work across the Academy.

We are looking for an excellent English Tutor who has a good knowledge of the new AQA English Language GCSE course. You will work with identified students, either one-to-one or in small groups, to improve their English skills and knowledge appropriate to their age group and ability level. It is expected that you will have the opportunity to work with students across Key Stages 3 and 4.

The role is an exciting chance to play a pivotal role in a committed staff team, with support from the English department and Tutors in other subject teams.

At South Wolds we look for talented and committed people and we work hard to make sure that they receive the training and support that they need to be successful and to enable them to make the next step in their career progression.

An application form, job description and person specification is enclosed to help you decide whether you feel the post is suitable for you and to enable you to make a successful application. May I also suggest that you look on the school's website: www.southwolds.co.uk which contains more information about the school and its wider context.

We look forward to receiving your completed application form. The closing date for applications is 12 noon on Monday 30th October 2017.

If you have any queries, please contact me on 0115 937 3506 or email me at hr@southwolds.notts.sch.uk
