BUCKINGHAM ROAD
WINSLOW
MK18 3GH
(01296) 711853

WEB: WWW.SIRTHOMASFREMANTLE.ORG

Teacher of Science

Start Date: September 2023
Permanent Contract
Main Pay Scale and Upper Pay Scale

Application Deadline: Monday 17th April 2023

We are looking for an amazing teacher to join our wonderful team and bring Science to life for our students! We are looking for a teacher of science with the ability to teach physics and/or chemistry.

Sir Thomas Fremantle is set in North Buckinghamshire for 11-16 year olds serving the local community. The school is in easy reach of Milton Keynes and Aylesbury. We benefit from great facilities – the school building was only opened in 2017.

We are driven to ensure all our students have an incredible education that inspires and prepares them for the next step in their journey. With 600 students we are able to really get to know each of them and our sense of community is a real strength of our school.

Your professional development is really important to us. We want you to have the skills and training so you can flourish in your role. We care about your wellbeing and we want to work with you to ensure we do all we can to support you.

We would love to show you around our school to meet our wonderful students and to get to know us better. Applications from ECTs and experienced colleagues are more than welcome. ECT contracts available from 1st July.

Application forms and further details are available on the website www.sirthomasfremantle.org/recruitment

Please note that we do not accept CV's - applicants must submit a STFS application form via mynewterm.

Please contact emma.windsor@sirthomasfremantle.org if you wish to arrange a visit. STFS is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. **An Enhanced DBS check will be undertaken for the successful applicant.**
