

July 2019

Our Ref: JS/CMR

Science Technician

Thank you so much for accessing details of the part time Science Technician post. We hope that you will feel inspired by the information provided to make an application.

Bishop Stopford School is a great place in which to work and learn. All that we do is informed by our Core Values of Faith, Justice, Responsibility, Truth and Compassion. We welcome applications from anyone with a passion to work with students, who can work in sympathy with these values.

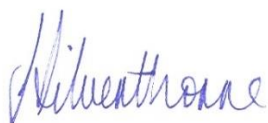

As a forward thinking school, we were one of the first converter academies and one of the first National Support Schools under the National Leaders in Education scheme – a status which we have held for over 10 years. We are a strategic partner in a Teaching Schools alliance, and are capitalising on the opportunities that this presents.

We pride ourselves on being a 'Professional Learning Organisation', committed to improvement through staff development and learning. We are very honoured to have achieved the coveted "Gold" Investors in People status, after demonstrating exceptional levels of people management and staff development.

If you have any queries about the advertised post, which are not answered in the information provided please contact Carolyn Robinson, Office Manager crobinson@bishopstopford.com.

Applications are welcomed by noon on Monday 15th July 2019. We very much look forward to hearing from you.

Yours sincerely

Jill Silverthorne
Headteacher
