Executive Principal Message

Hello!

It is an exciting time to join the Barnsley and Kirklees Special Provision Partnership as an Assistant Principal at Joseph Norton. We're a bold, new partnership, formed through the collaboration of Joseph Norton Academy, Springwell Learning Community, and Greenacre School. Through our collaboration we are able to provide unique opportunities for our children, our staff and the communities we serve.

Joseph Norton is a fabulous place to work. We are part of an inclusive Trust. We have a supportive Governing Body. The staff are utterly committed and our children are brilliant!

The successful candidate will be joining the school at a time of significant change and will work with the leadership team to transition the school to a new building on a new site over the next few years. You can find more information about this change by clicking [here](#).

To be successful you will require a clear understanding of the needs of pupils with social, emotional and mental health needs and the strategies and qualities required to support them. You will need experience of school improvement and the stamina to see things through.

Please get in touch for an informal conversation about the role prior to submitting your application.

Sarah Wilson
Executive Principal

We value and celebrate the unique identities of our academies. We encourage them to innovate, create and develop their uniqueness because we want others to learn from them. Excellence is about diversity, not conformity.

We do not believe that one size fits all.

Our culture is: Open. Transparent. Outward-facing. Generous. Supportive. Collegial. Collaborative. Inclusive. Progressive. Plural. Courageous. Curious. Caring. Confident. Ethical. Respectful.

If you want to work with, and – more importantly – contribute to a culture like this, we might be a fit.
