Executive Headteacher: John Wells

The Clevedon Learning Trust (CLT) was launched on 1st January 2015. The CLT is currently formed of ten schools in two geographical areas; one secondary and four primary schools in Clevedon and five primary schools in Bridgwater. We also have an Academy Order for a secondary school in Bridgwater and a further primary school in Clevedon making a total of twelve schools for the CLT by the end of this academic year. The CLT brings with it a new, innovative and student focussed approach to education within local communities. The CLT will provide high quality education and experiences for children and families. We will achieve this through our formal school partnership, using the most effective teaching and learning strategies, the best resources and facilities and the clearest progression routes for our children from the age of 0 to 18.
