September

DHS bears in the Nursery excitedly awaiting the arrival of the new children! [#autumnterm](#) [#BackToSchool](#)

Yr7s constructed plant cells of maltoser nuclei, jelly bean chloroplasts, glacier mint vacuoles in jelly cytoplasm!

Salvete! Yr3 children enjoyed learning about [#Roman](#) Life at the [@MuseumofLondon](#) today [#history](#)

In [#drawing](#) their [#self](#) [#portraits](#) P2LP learned about different types of shading: smudging, hatching and cross-hatching [#art](#) [#face](#)

Thank you to 'Harriet's Army' screenwriter Mr Guy Burt who gave a workshop to Yr5s who acted out scenes and began scripts of their own.

U8JF considering weighty business matters during their board room meeting at the Coca Cola Education Centre, Edmonton today.

October

Children in Junior School extended after school club have been very busy making [#Minion](#) masks and drinks can tabs [#ladybirds](#)!

Yr5 travelled to [#ancient](#) worlds at the [@britishmuseum](#) this week. The [#egyptian](#) [#sarcophagi](#) were beautiful, the Balawat Gates enormous!

Yr3 had fun helping Coral Rumble complete a [#poem](#) that had no middle and read out the similes they'd used to do it [#NationalPoetryDay](#)

P1AO are learning about [#space](#). They've worn a space suit, had a go at a [#moonwalk](#) & tried sorting things out in big [#astronaut](#) gloves!

Ever noticed the letters & numbers above the front door of 69? P2 can tell you what they mean after learning about the [#history](#) of DHS!

DHS [#netball](#) team taking a breather during their first day's training in [#Holland](#)

November

In **#drama** workshops today Yr2 travelled on a plane, made snow angels in the North Pole and met a crocodile in Australia! **@PerformUK**

Thank you North Finchley **#Mosque**. Yr5 classes visited today and yesterday and enjoyed the tours and very informative talks from the Imam.

This week PRKR learnt about Jackson Pollock and created their own abstract expressionist masterpiece. Can you see the rocket? Batman? **#art**

Our budding **#chefs** made cheese straws in **#Cookery** Club this week. Lots of floury fun resulted in delicious, golden cheesy snacks! **#tasty**

A big thank you to PC Bromilow **@MPSFrogandFitz** who visited Early Years & Junior School to talk about safety and saying no to strangers!

Yr4 practicing their **#Hebrew** **#calligraphy** skills during their 'Totally Torah' workshop at The Jewish Museum yesterday **@JewishMuseumLDN**

Yr1 have designed 3D Flying Saucers that are out of this world! Here's one zooming past the **#supermoon!** **#UFO** **#outerspace**

Thank you to Dr Nick Lane **@UCL** who spoke to upper school **#science** classes today about **#evolution**...and scary-looking microscopic worms!

Gardening Club has been working in the cold & rain on our **#eco**-garden, using **#recycled** materials to add interest to our **#winter** display

December

Yr3 made Big Bad Wolf **#puppets** as part of their Creative Arts Week on **#fairytale** villains. The Three Little Pigs were nowhere to be seen!

A fantastic **#Winter** **#Fair** today. A huge thank you to everyone who helped make it such a great event. Santa is now off to load his **#sleigh**!

Junior School have been **#recycling** again. After last year's milk bottle **#igloo**, meet **#Tinsel** the plastic cup **#snowman**!
