## About Gossops Green Primary School

Opened over 60 years ago, Gossops Green Primary School is an established and important part of our local community. We joined The Collegiate Trust and converted to academy status on 1<sup>st</sup> November 2016 and have benefited from the support which that brings. The Collegiate Trust has a clear vision to deliver Exceptional Education for All. Our pupils are well-motivated and a pleasure to work with, whilst our staff are talented, hard-working and ambitious for themselves and others. Our excellent facilities enable us to provide the very best learning environment and learning experiences for our pupils and it is the combination of these factors that leads to the improving standards at our school and the enviable reputation that The Collegiate Trust has built. Ofsted (2019) recognised the high-quality provision at Gossops Green Primary and judged the school as 'Good' with 'Outstanding' for our EYFS provision and Leadership and Management. I am very proud of what we do and what we have achieved at Gossops Green and I hold the highest aspirations for what we will do and achieve in the future.

Ofsted commented that Gossops Green 'has a family atmosphere...and staff know their pupils well and look after them carefully' and it is true that above all else, this is a happy school where children feel valued, listened to and safe. We are particularly proud of our emphasis on Wellbeing and Nurture because we know that a happy child will go on to thrive in their education and so at Gossops Green we value the whole child and develop their emotional, physical and mental wellbeing, alongside their academic learning. In essence, we want the same things for your child as we would want for our own and your child becomes our child, with every lesson, experience, conversation and playtime having this ethos at its heart.

Our creative and ambitious curriculum is planned around topics which spark children's interest and make them, as Ofsted comments, 'happy to learn and thrive in lessons.' We build in many memorable experiences to bring learning alive and meaningful for our children. Indeed, our fantastic Year 6's reminisce fondly about the many experiences they have had during their time at Gossops Green when they leave us as confident, resilient, and fulfilled learners, ready for secondary school.

Central to our approach to learning at Gossops Green, is our belief in the importance of reading. There are no limits to what a child can achieve if they can read and we are proud that Ofsted described our teachers as 'experts' in this essential, life-enhancing skill. We work in partnership with our supportive parents and carers to ensure that every child is a confident and fluent reader, able to access all learning and achieve to their best potential. We also teach our children to be considerate and care for their school, their community, and for one another. Gossops Green children learn that they have the power to make the world a fairer, kinder place and they are nurtured to develop confidence, to articulate their ideas and to be proud of who they are.

Whether you are at the very beginning of your career or are looking to develop your experience, a school within The Collegiate Trust is a great place for professional growth. Our staff have many opportunities to develop skills and extend their professional learning through a regular and varied programme of professional development. Our aim in all appointments is to appoint colleagues who will share our aspirations and make a major contribution to building the best life chances for our pupils.

## About The Collegiate Trust

TCT has grown out of *Riddlesdown Collegiate*, a large, **outstanding** (OFSTED, March 2023) secondary school in Croydon with a longstanding reputation for high standards and an exceptional education. Since 2015, our Trust has been growing and, today, we are a family of 8 schools with c.6000 pupils and 800+ employees. The planned addition of a further secondary school will bring our Trust to c.7000 pupils and c.1000 employees.

Our strong culture of ambition is focussed clearly on **PEOPLE** and **LEARNING**. We ensure that the best interests of all those in our communities are always at the heart of our decision-making.

The work of *The Collegiate Trust* is informed by our core values: **Ambition and Collaboration**, leading to **Achievement and Enjoyment**.

There are three particular themes that drive our work and can be described as our *keys to success*:

**Partnership** – We work hard to cultivate strong professional relationships with each other, with our pupils, with their families and the wider community as we see this as the foundation on which our Trust is built.

**Progress** – To us, progress means much more than academic improvement. We place a great focus on personal and professional growth for all members of our community and it is this emphasis on continuous improvement that enables our pupils to fulfil their potential.

**Preparation** – Whether for the next stage of education, for work or for a future that is uncertain, it is our view that the prime purpose of school is to prepare young people for the rest of their lives. It is our intention to prepare all pupils to achieve their goals and to go on to enjoy happy and successful futures.
