Letter of introduction from the Chief Executive Officer London Academy Casablanca and Rabat

Dear Applicant

Thank you for your interest in the position of English Teacher at the London School Casablanca and Rabat.

I personally welcome you to London Academy. As a parent, I know that choosing a school is one of the most important decisions you make for your child.

Knowing this, I understand that you put a great deal of trust in the school and its faculty and staff. It is my mission to make sure your trust is reflected in two ways. First, that your child is well cared for and nurtured while at school. Second, that the quality of teaching and learning that is offered is up to the international standard that every parent wants for his or her child. Achieving this, is at the heart of our mission as a school.

Our pedagogical philosophy reflects current educational and best international practices. Our learning environments are suitable for all kinds of learners. Considering this, I take great pride in hiring our highly qualified faculty, providing the best technological resources, and giving your child a world education. In one sentence, I want to see happy children having serious fun while learning.

With this in mind, London Academy believes that the teacher, pupil, and parent partnership is extremely important. I welcome you to be an active member of the team. Creating this partnership is vital to the success of each pupil.

What do we do? What makes us different?

- We provide a happy, safe, and caring environment in which all individuals feel connected and respected thus empowering them to reach their fullest potential.
- We promote learning through project-based learning and technology-based tools.
- We make our students producers of technology not consumers of technology.
- We deliver an exciting and vibrant curriculum while having serious fun.
- We enrich the curriculum with experiential learning activities and physical learning environments.
- We encourage each child to develop high self-esteem and, in doing so, learn to respect others.

- We partner with parents and families to share the responsibility for developing their children educationally, morally, spiritually, and socially.

London Academy is a SMART SCHOOL that honours the Moroccan culture and empowers every pupil with 21st Century skills.

Our values: Excellence, Authenticity, Growth, Leadership, Ethics, Service

Our motto: We Are the Future

We can offer:

- Supportive staff and directors committed to educational excellence
- An opportunity to make a difference to the lives of children in challenging circumstances
