

Kensington  
LEARNING  
SPACE

**\*OPENING\***  
**IN EARLY 2020**

# LEARNING EXPERIENCE, REDEFINED.

Not just another school,  
but a **LEARNING SPACE**

Kensington Learning Space (KLS) will be the first child-centric, purpose-built facility of its kind. A one-stop platform for providing creative, unique and fun learning experiences, nurturing lifelong learning skills and a mindset that *prepares children for the future.*

## THE WAIT IS OVER.

First glimpse of Kensington's new project that defines 'Learning Space' like you've never known before.

**Offering weekday, weekend  
and after-school programmes,**  
selected from the best in each field,  
for kids from 6 months to 11 years old

### OUR SPACE:

The inspiration for our 'learning space' at KLS is to create a futuristic and innovative learning experience. The areas both indoors and outdoors have a seamless boundary that connects children with their environment.

Unlike anywhere else, every corner was specifically designed to cultivate children's curiosity and learning beyond a traditional education space, resulting in the creative and unique experience that can only be found at KLS.

# Nurturing Lifelong Learning Skills and a Mindset that prepares “CHILDREN FOR THE FUTURE”

## CHILD-CENTRIC ECOSYSTEM DESIGN

We're creating a child-centric learning space, providing unique and fun learning experiences.

## PURPOSE-BUILT WITH FIRST CLASS FACILITIES

The first purpose-built learning space with a futuristic design aimed to provide a stimulating learning environment that enhances student learning.

## CURRICULUM, SELECTED FROM THE WORLD'S BEST

Our unique curriculum will offer children limitless learning experiences, enhancing skills, cultivating their thinking ability, nurturing kind and thoughtful personalities.

## THE EDUCATIONAL EXPERT TEAM

Our team will comprise of experienced, qualified teachers and progressive educational experts, passionate about childhood education and committed to providing a fun and loving environment for everyone.

Kensington  
LEARNING  
SPACE
