As the only Sixth Form College to have been awarded the Queen's Anniversary Prize for Further/Higher Education, we are a popular and oversubscribed college with a national reputation for excellence. Our 40 million pound state-of-the-art building and garden opened its doors in September 2008 and we are delighted that our new campus was awarded the Prime Minister's Prize for the best public building in the UK. In our ninth learning year in the new building, it still looks immaculate and staff and students are proud of our learning environment.

Our most recent Ofsted inspection was an enormous success and we were awarded a grade of 'good' overall with many 'outstanding' features noted. Inspectors' comments included:

- AS-level students make exceptional progress
- The proportion of students that successfully complete their qualifications is high
- Students benefit from excellent support and are well prepared for university life
- Staff set high standards and have ambitious targets for improving students' achievements
- Outstanding enrichment programme
- The effectiveness of leaders and managers is outstanding

We are persistent in our desire to deliver excellence for all of our students and this means that offering them outstanding learning experiences is the focus of everything we do. We want our students to be happy and successful in later life, achieving excellent examination results and enjoying a wide range of exciting opportunities that broaden their experience along the way. To this end, we place a strong emphasis on the quality of our teaching and learning. We aim to deliver inspiring lessons to our students and our teachers work collaboratively to ensure that learning is both rigorous and innovative. We are equally proud of the pastoral support we offer to our students to ensure that they succeed and proud of the enrichment opportunities we provide.

All current and future colleagues joining our excellent team of teaching and non-teaching staff should therefore have a strong drive and determination for the success of our students, providing positive role models for them and caring about their wellbeing. To work at JCC, we hope you will aspire to be an outstanding colleague and be willing to share ideas with and learn from your colleagues. In return, we will provide you with first-class facilities, outstanding resources and a wide variety of professional development opportunities.
