Each school in the Greenshaw Learning Trust is led by its own leadership team and a local governing body, which have the support of the wider Trust to help them achieve their objectives for their school. Being part of the Trust provides our schools with an effective structure to ensure that they achieve real benefits from collaboration and receive the support that they need. Our culture of trust and openness fosters mutual support and continual improvement.

School-to-school collaboration is enabled by regular contact between school leaders and joint training and development, supplemented by a shared service team of specialist pedagogical and support service experts. Our shared services provide a wide range of effective, rapid and flexible support, advice and guidance to our schools, including curriculum support, staff training and development, admissions, attendance, behaviour, safeguarding and SEND, family liaison, therapies, data management, estates and facilities, finance, HR, catering, and governance.
