Visions and Values

At Oaktree, we realise that we have an essential role to play in shaping the lives of young people in our care. We aim for our students to leave happy and confident, with the talents and potential to go on to lead fulfilling and independent lives.

We aspire to offer the highest quality education delivered by our team of dedicated staff using quality resources, supported by a wide range of specialists.

We aspire to provide an environment that is welcoming, happy and caring that allows our students to feel safe and well looked after, encouraged in healthy living and positive well-being and given opportunities for personal development and academic progress.

Aiming to be 'the best we can be in all we do is underpinned by the following values;

B- be **BRAVE** in all you do

E- **EVERYONE** is treated the same

A-**AIM** high in all you try

R-**RESPECT** and care for each other.

“BEAR” represents Oakie bear, the school mascot.
