

May 2021

Dear Candidate

**Re. Teacher of Design and Technology with Art**

Thank you for expressing an interest in the post of Teacher of Design and Technology with Art. It gives me pleasure to provide details of an exciting post in a school that prides itself on delivering a rich range of opportunities for its students. Significant improvements have been made across the school over the last few years and this is reflected in a harmonious and supportive environment. We have created an innovative, enjoyable and highly professional environment for students and staff and the school is making a real difference to the lives of our students. I am proud of the progress we have made as standards of achievement have continued to rise and am confident that we have appropriate strategies in place for further and sustained improvement.

Of particular interest to candidates for this post will be the significant investment that we have made to ensure that the Design and Technology rooms provide us with exceptional facilities and the ability to completely transform learning experiences in this area. There are currently 7 teaching spaces for DT, including specialist rooms for Textiles and Food, 3 Graphics rooms and 2 fully equipped workshops.

The diversity of the school community ensures that Bow is a vibrant and interesting place to work. We provide excellent support systems and structures for all staff. Bow School is committed to the professional development of all its staff. The successful candidate will be entitled to a full training programme in line with school improvement priorities and personal appraisal targets.

**As an employer we are committed to safeguarding and promoting the welfare of children. Enhanced DBS clearance is a statutory requirement for all positions.**

The post requires a colleague with a specialism in the area of resistant materials/product design but is confident to teach across the disciplines within Design and Technology and who has energy and vision and a strong desire to improve the opportunities for our students. The teaching of some Art will also be required in this post. If you have the professional and personal qualities to be that person I can promise you a real sense of achievement and first class development opportunities.

Applicants should complete an application form (CVs are not acceptable), and write a concise statement of no more than two sides of A4, outlining how their achievements and experiences make them a suitable candidate for this post. The form and statement should be returned to [hr@bow-school.org.uk](mailto:hr@bow-school.org.uk) to arrive no later than **midday on Monday 17<sup>th</sup> May 2021**.

May I wish you every success in your application.
