

Job Description

Teacher of Science Maternity Cover

Salary: Main Scale/UPS

Start: 04 January 2021

Responsible to: Head of Science

Job purpose:

- The planning and teaching of effective lessons which ensure that each student is positively encouraged to develop their full potential in Science.
- To promote a positive culture for Science and a lively and enthusiastic atmosphere within the classroom.
- The assessment of students in line with departmental and school policy.
- To contribute to the development of Science in the curriculum and as part of specialist status.

Key Responsibilities and Tasks

- To plan and teach Science lessons that are effective, creative, varied and appropriate to the needs of the students.
- To utilise appropriate technologies in the classroom to ensure that learning is current, relevant and enjoyable.
- To fully support the Head of Science and other Science staff in continuing to raise attainment and achievement in Science.
- To contribute to the review and development of departmental schemes of work and lesson materials with colleagues.
- To ensure students are assessed in line with departmental and school policy.
- To attend and contribute to Science department meetings and other meetings as appropriate.
- To follow departmental policies and self-evaluation processes and, where necessary, contribute to their development.

- To promote Science in the school and to help other staff to do so where necessary.
- To maintain personal development and expertise by remaining up-to-date with current subject matter and initiatives and accessing appropriate training.
- To act as a Tutor and undertake associated mentoring activities.
- To contribute to wider school activities and initiatives, e.g. Teaching & Learning Group, charity events etc.

The school undertakes to support applications for CPD to enable the post holder to fulfil their role to their optimum capacity.

Hitchin Girls' School is committed to safeguarding and promoting the welfare of children and young people and requires all staff and volunteers to demonstrate this commitment in any aspect of their work.

This job description is to be performed in accordance with the School Teachers' Pay & Conditions and TDA standards for qualified teachers. These responsibilities may be amended at any time in the future in order to respond to the changing demands and needs of the school.
