COOPERS SCHOOL

WELCOME

Coopers is a warm, welcoming and friendly School situated in 33 acres of parkland in Chislehurst in the borough of Bromley, about eight miles from central London. It is a place where all students are happy learners. My mission as Principal and Director of Education for E21C is to take Coopers from being a good to an outstanding school. We are very proud of our latest Ofsted Report which shows that we can achieve this.

When the School was last inspected in March 2018, the inspectors said that 'the school continues to be a good school – the leadership team's passion for the welfare of each individual pupil results in a very caring and supportive environment where pupils feel safe and happy.'

- "...setting targets and monitoring outcomes has been an important factor in significantly improving pupils' GCSE outcomes in 2017."
- "... has also supported students' consistently positive progress in the sixth form in the different subjects offered."
- "Lessons are purposeful with well-structured questioning which helps to consolidate pupils' learning."
- "Senior leaders have been successful in raising achievement and improving the quality of teaching over recent years."
- "The curriculum goes far beyond academic subjects with worthwhile vocational and practical courses."

The inspectors also commented that the very good behaviour of the students makes an important contribution to the welcoming, supportive and orderly learning environment created by the School as we strive for academic success.

We are very proud of our school, of the opportunities we provide, and of its role in the community. We strive to create an environment where each individual is valued, an environment that fosters tolerance and compassion, vibrant, caring relationships, lifelong learning skills and a strong sense of moral purpose. We operate through a core set of values:

- **Curious** - We have active minds, immersing ourselves in new ideas with a thirst for learning. We engage with issues and ideas that have local and global significance.
- **Creative** - We are enterprising and unafraid to challenge and be innovative. We are multi-faceted and independent, understanding that skills are transferable across all disciplines.
- **Resilient** – We understand that we need to be creative and determined in order to achieve our best. We are resilient and resourceful in the face of challenge and change.
- **Respectful** - We are confident and articulate in more than one language and demonstrate appropriacy and respect through our interactions. We act with integrity and honesty, have a strong sense of fairness and take responsibility for our actions. We have self-respect and take pride in our own work.
- **Empathetic** - We reflect on and evaluate our actions and the actions of those around us in order to have a better understanding of the world and our place within it. We are empathetic and compassionate and understand that our lives are interdependent with other people's lives.

Coopers School became a Grant Maintained School in the 90's, followed by a Foundation School and then became an Independent Academy in March 2011. It is a founder member of the Bromley Schools Collegiate with an Ofsted outstanding judgement for ITT.

Our examination results at Key Stage 4 have shown many rises. We are most proud of our post 16 outcomes, the end of the seven year journey, which see ALPs 2 Grades for AS and BTEC and ALPs 3 for A2, significantly above national average. A range of post 16 courses are taught. We are a World IB School and we offer, A levels, AS courses, BTecs and the IBCP. We are the only school in Bromley to offer IBCP (Careers Programme) and currently only about twenty schools in the country can teach this. Of a role of 1600, 320 students are in the Sixth Form. We have an impressive number of young people leave us for top universities and apprenticeship programmes.

Our Students

Our students feel happy and secure. We have a well-developed pastoral system and staff genuinely care about our students as individuals. We encourage students to assume and enjoy responsibility through our Student Leadership and Ambassador Teams. Our highly skilled staff work closely with students to monitor their progress to ensure they exceed their potential. There is an excellent student volunteer peer mentor scheme and students are encouraged to play an active part in the running of the school.

We understand that students need a range of skills and opportunities to fulfil their potential and therefore encourage students to undertake a full range of extra curriculum activities in addition to the educational requirements. We have an extensive enrichment programme, the full details of which can be found on the website.

Our Staff

We recognise and value the skills, knowledge and expertise of all our staff and are committed to supporting their professional development. To this end, we have a vibrant and varied Continual Professional Development programme, which is personalised each year to support both our main school priorities and the individual needs of staff. This programme includes opportunities to share excellent practice between colleagues as well as drawing on external expertise. Cross collaboration between other local schools and schools in the Trust is also encouraged so that best practice is formulated. We encourage and support further learning and research.

Staff give freely of their time to the broad extra-curricular programme which includes sports, music, drama and a host of trips, exchanges, clubs and other activities. There is a blend of youth and experience among the staff and newcomers have always commented on the warm welcome they have received.

The English Faculty

The English Faculty is a strong, dedicated and enthusiastic team whose strength is in their innovative approach to teaching and learning and in their unceasing support of colleagues. Resources are constantly created, shared and reviewed and the Faculty has been praised for its student centred approach to developing programmes of study.

The Faculty has had great success with the development of Dedicated Learning Days. Recent successes have been researching the names on the local War Memorial which gave students an insight into the real people who fought in World War 1 and gave an opportunity to work with a local historian. Students have enjoyed visits from poets and authors; visits to Shakespeare's Globe; Harry Potter World; understanding the origins of the Gothic at The British Library; exploring 'Of Mice and Men' on film with the BFI and Media experiences at Disneyland Paris.

Students study Edexcel GCSE English Language and Literature at Key stage 4.

At Key stage 5, the Faculty offers AS and A2 Edexcel English Literature, Edexcel A Level Language plus the IB English Language and Literature (both at Standard and Higher Level); all of which prove very popular options for students.

Attainment within the Faculty is significantly above the National average with 85% of students gaining A* - C in the summer of 2016 and a consistent 100% pass rate at A2 is achieved in all English Faculty subjects.

The Faculty has a suite of 10 dedicated classrooms, each with an IWB and a visualiser. The faculty also has its own ICT room which is used by all the year groups and an open plan office where central resources are kept and teachers have a work space.

The Faculty has been very successful in Poetry by Heart and Speak Out competitions and work with the company Speakers Bank who run workshops for Year 10 students. The Faculty holds an annual Balloon Debate for Year 8 which has proved exciting, entertaining and highly contested. An interest in developing this field of competitive debating would be welcomed in the successful candidate.
