We are looking to appoint enthusiastic and committed teacher/leader to join our high achieving and over-subscribed 11 - 16 community school. If you are engaging, knowledgeable and committed to getting the best out of young people, we would like to hear from you.

The successful candidate will join our innovative and successful Science Team to teach all age ranges and scientific disciplines within this high performing (and constantly improving) school. We welcome applications from experienced teachers looking to further their careers in a very good school and also from NQTs who will follow an excellent support programme. We ensure that all members of staff experience an interesting Professional Learning programme which is grounded in research.

The school has been accepted for Multi Academy Trust status and Oakfield Primary School is the first school to join us in 2018-2019. As part of our bid we have formed a strategic alliance with The Halterworth Teaching Schools Alliance (Primary) and Barton Pevril College (6th Form) in order that we can support any phase of school. The Romsey School will be the lead secondary school in the newly formed trust.

Please see the school website www.romsey.hants.sch.uk for an application form. Applications should be on Romsey School forms. Individual CVs will not be accepted. The ability to offer a second subject would be preferable but not essential.
