Are you an excellent, passionate and ambitious teacher of Physics, with the ability to lead and inspire others? We are seeking a Lead Teacher for Physics to play a key role in the continued development of Physics teaching and learning across the school. This is an exciting opportunity for an experienced practitioner who is ready to take on curriculum leadership responsibility while continuing to model outstanding classroom practice.

The successful applicant will:

- Lead and develop the Physics curriculum across Key Stages 3, 4 and 5
- Model excellent teaching and learning and support colleagues through coaching and mentoring
- Contribute to raising standards of achievement and outcomes in Physics
- Work collaboratively within a dynamic, committed Science department
- Support whole-school priorities through subject leadership and professional practice

A specialism in Physics is essential, along with the ability to lead, coach and inspire others.

At Bow, our drive for academic excellence, outstanding pastoral care and high quality enrichment program supports our students in becoming well-rounded young people. If you are the kind of teacher with the skill, dedication and passion to help this happen then Bow School will offer you an exciting and rewarding career in our vibrant, diverse school where our core values of determination, responsibility, adaptability, curiosity and respect shape our thinking.

Bow School is committed to safeguarding and promoting the welfare of our students and expects all staff and volunteers to share this commitment.

This post is subject to an Enhanced Disclosure and the successful applicant will be subject to relevant vetting checks before an offer of appointment is confirmed and will be subject to rechecking thereafter, as appropriate
