OXFORD**

A NORD ANGLIA EDUCATION SCHOOL

# Candidate brief for the position of CARETAKER

to start as soon as possible

## The school

d'Overbroeck's is a leading co-educational independent day and boarding school in Oxford for students aged 11 – 18.

Founded in 1977, initially as a Sixth Form, d'Overbroeck's has maintained its founding values throughout its growth.

We believe in outstanding teaching and laughter. We celebrate the individual and foster a culture that promotes collaboration and originality. We pride ourselves on our unique blend of social informality and academic rigour.

Our students consistently achieve some of the best value-added results in the country. Our success has supported our continued growth, currently with over 760 students across our 4 teaching sites.

We are located in North Oxford, and we've established ourselves as a thriving, forward-looking and highly successful school. We are known for our distinctive, non-traditional ethos, an outstanding staff team, and a strong reputation for the quality of our educational and pastoral provision.

d'Overbroeck's comprises of 3 sites: Years 7-11, The International School, and the Sixth Form, giving a school of approximately 765 students (200,125 and 440 students in each section respectively). The school follows GCSE/IGCSE and A Level based curriculum.

As the school continues to grow, we continue to develop our facilities to ensure that we can offer excellent resources to our students. This is an opportunity to become part of the d'Overbroeck's community at a very exciting point in our development. Our school is part of the Nord Anglia family of 88 schools around the world and part of you work will be working with regional teams in areas such as digital marketing and branding.

## Our ethos

We place academic achievement and personal growth at the heart of everything we do at d'Overbroeck's. Our success in achieving these goals is evident in students' achievements both in and outside the classroom, as well as in the enthusiastic endorsement we receive from current and former parents and students.

Our innovative approach sets us apart from other local independent schools and is characterised by purposeful informality. Our ethos is firmly built on **personal relationships**, and on a strong belief that **every individual is at the heart of the school**.

At the same time, our approach is distinctly **collaborative**. We believe in leading by example, in a healthy dose of flexibility and in the power of laughter and humanity.

'**Enthusiasm**', '**maturity**' and '**courtesy**' are words that visitors to the school frequently use to describe us.

engage with complexity and to achieve their goals. And they'll also have time for friendship and living life to the full.

Our policy is for everyone, staff and students, to be on first-name terms throughout the school. Our experience is that this fosters more mutual respect and truer, more motivating interactions between staff and students.

Students wear school uniform up to Year 11 and there is no uniform in the Sixth Form. Our uniform is relatively light-touch, which allows each student a sense of their own individual personality.

d'Overbroeck's does not have any particular religious affiliation and we welcome students and staff of all faiths and none.

*In its key findings, our most recent inspection report (2021) found that our students are highly motivated with extremely positive attitudes to learning. They were described as successful collaborative learners who are naturally inclusive. They were said to have a remarkably strong sense of self understanding and excellent awareness of how to improve and achieve their goals.*

## Teaching and learning

We teach a broad academic curriculum with a wide choice of subjects at GCSE and A-Level; we currently offer 37 different A Levels. Students in the International School study a mixture of GCSEs and IGCSEs.

At d'Overbroeck's, we emphasise fostering resilience and independent learning skills starting from Year 7. In the Sixth Form, many students complete an EPQ alongside their A-Level programme, and students regularly take part in Maths and Science Olympiads.

We offer bespoke academic enrichment programmes through our Think programme. These are suitable for students who want to develop their academic skills in preparation for Oxbridge, Medical/Veterinary and Law programmes and for wider university study. Students have the opportunity to participate in a wide range of trips and sessions from visiting speakers throughout the year.

We integrate a Personal Development (PD) programme into the curriculum throughout the school. Students study a Personal Development Programme which introduces them to information, views and debates on contemporary issues.

Our focus is on reflective teaching and professional learning. We have our own in-house system of CPD that promotes reflective and collaborative practices and allows staff to delve into areas of pedagogy that truly interest them.

The teaching approach at d'Overbroeck's has always been built around comparatively small classes. In Years 7-11, classes are generally kept to a maximum of 15 students. In the Sixth Form and The International School to we aim to keep classes to a maximum of 11.

At the International School, many students follow a one-year programme which prepares them for IGCSE exams in up to 8 subjects alongside intensive teaching in English for academic purposes (EAL). We also offer a growing two- and three-year IGCSE programme for younger students, which runs alongside the current one-year programme.

Our exam results are very strong. We are the top school for progress (value-added) at A-Level in Oxfordshire and every year many of our students progress to Oxbridge and other top Russell Group universities.

# Boarding

We currently have over 300 residential boarders at d'Overbroeck's, which is set to increase in the next few years as the school grows. Our boarders are currently either in the Sixth Form (where around half the students are boarders) or in The International School (where almost all the students board), however from September 2024 we will also be offering boarding for our Years 7-11 students.

In the Sixth Form, students can either board full-time or weekly. For some of our boarders home is just 30 or 40 miles away; for others it is another part of the world. Some will have boarded before while for others this may be the first experience of being away from home and family.

Whichever it is, our aim is to create a close-knit, homely boarding environment where students are

physically comfortable and personally at ease; where they can live and work happily, enjoy freshly-cooked, well-balanced meals and make strong and lasting friendships. Like our teaching space, our boarding provision continues to develop considerably.

We have a purpose-built Sixth Form boarding house (Islip House) opposite our Sixth Form. We also have a Sixth Form boarding house in St Aldates, in the heart of the city and in Westway to the west of the city. We have another boarding house on the Banbury Road (shared with some International School students) and three further boarding houses in north and west Oxford for International School students.

# Co-curricular

Alongside the academic curriculum, we offer a varied and vibrant programme of co-curricular activities to open up all sorts of opportunities for students in every year. Sport is diverse and wide-ranging, music and drama are very strong and concerts and school productions are always big events to look forward to.

## Music

We offer a range of concerts and musical events throughout the year for students across the school. We also have a popular Instrumental and Vocal programme taught by a team of experienced peripatetic instrumental teachers each week.

## Drama

Drama at d'Overbroeck's is about much more than learning lines and performing: it's also about unleashing our students' dramatic creativity. It's also a vehicle through which students develop confidence in themselves – not just as performers, but as individuals and members of a broader society.

## Sport

We take an inclusive approach to sport and encourage all students to take part in different activities when they study with us. Whilst it's very important to us that students get the opportunity to compete and represent the school, it's equally important that they develop lifelong learning around active, healthy lifestyles.

Although we don't have our own playing fields or sporting facilities, we are fortunate to have the use of an excellent range of venues and facilities nearby, including those of Oxford University at Iffley Road. During term-time, our students use these facilities on a daily basis.

*'It's hard to imagine a better school for nurturing and developing students.... Without exception all staff are dedicated to the aspirations of the school, resulting in a lovely and thriving atmosphere that produces excellent results and well-rounded teenagers!'*
