

Computing Teacher

- Seeking an inspirational teacher of Computing with a passion for seeing technology impacting learning.
- Thriving School in the heart of Bangkok
- Apply by 25th May 2024
- Job starts August 2024

An exciting teacher of Computing opportunity has arisen at our thriving new international school located in the heart of Bangkok. Purpose-built with a vision to put the school at the forefront of Computing and Technology education, the new Innovation Hub is the perfect environment for a forward-thinking and inspirational teacher to work alongside colleagues to embed technology into our curriculum. This teacher will also lead Computing lessons from Upper Primary to A-Level, so experience of teaching Computer Science to examination level would be an advantage.

Aster International School Bangkok opened in August 2022 with the mission to bring the best of a British-style international education to a beautiful campus in the heart of Bangkok. We are now recruiting new Secondary teachers for our expanding Secondary school, which will be moving into new facilities in August 2024.

We are looking for energetic, innovative and enthusiastic professionals who want to join a school that is growing rapidly. Aster International School Bangkok is a British-style international school, teaching an enhanced version of the ENC in a modern and purpose-built environment. Our teachers must be prepared to be leaders and learners as we collaborate to create a unique school environment and approach to curriculum delivery.

Aster International School Bangkok is located in the heart of Bangkok, in the Sathorn district. The school is positioned to give easy access to Sathorn, Silom, Sukhumvit and also the riverside area. We have modern and purpose-built facilities that suit mid-twenty-first-century learning needs. The school has specialist teaching areas for languages, Science, art, music, PE and ICT, as well as an auditorium and extensive garden space. The classrooms are large and well-equipped. To find out a little more please see our website.

Bangkok is an exciting city to live in and Thailand is a wonderful host for international teachers. The city offers a lifestyle where modern living and traditional Thai culture mix seamlessly. Bangkok is also the gateway to the amazing islands and beaches that Thailand is known for, as well as a hub for transport in South East Asia, making long-haul and short-haul travel easy and convenient.

We will be building our school around our Wisdom Values:

- Wise** – We use what we learn in a positive and purposeful way
- Intercultural** – We celebrate our similarities and differences
- Service** – We support, help and care for those around us
- Decision Makers** – We are critical thinkers and do not rush to judgement
- Open Minded** – We respect each other and are willing to consider new ideas
- Movement** – We are active learners and learn through doing

Do you want to come and be part of our journey?

To join Aster International School Bangkok our teachers must:

- Be fully qualified teachers
- Have experience with the ENC or a British-style curriculum
- Be innovative, energetic and able to deal with the unexpected
- Offer a skill outside of the classroom for our Extended Curriculum
- Have a good sense of humour and a positive attitude
- Be able to provide a full clean background check enabling you to work with children

Aster International School Bangkok offers a competitive salary, a two-year renewable contract, flight allowance, free tuition places for dependents, private medical insurance, and an annual bonus programme.
