# Message from the Headmaster

Dear Applicant,

Thank you for considering a position at RMS for Girls. I very much hope that reading this information pack will encourage you to make a formal application. Of course, before doing so you will wish to gather as much information as possible about the school and I'm sure that you will explore our website and perhaps even read our latest inspection report.

But that will all only provide you with part of the picture. It is often only when you arrive at a school that you get that gut feeling that tells you that it "just feels right". I joined RMS two years ago and from the moment I walked through the door, I knew that it was the school for me.

RMS is spectacularly beautiful and, when you first arrive here, it is hard not to be seduced by the impressive architecture and our glorious grounds. We are all incredibly proud of our stunning surroundings and the sense of history that pervades the school. It would be correct to say that we are steeped in tradition and never more so than when Drill takes place in the Michaelmas Term each year. But it is equally true to say there is nothing stuffy or old fashioned about RMS. We are a modern, forward thinking school, working to help our girls to prepare for the challenges of a world that is evolving at a pace that none of us could have envisaged just a few years ago.

As I walk around the school, I am constantly struck by our pupils' verve and zest for life. They are incredibly proud to be RMS girls and their energy not only drives what we do but is also highly infectious. A quick look at our Twitter feeds will show you that there is no such thing as an average day at RMS. The breadth and depth of opportunity available to the girls is extraordinary and, over the time that they are with us, it is a joy to watch their confidence grow as they fully embrace the many experiences the school offers. But, just as importantly, they are kind, thoughtful and compassionate young women. And they work hard with a commitment to self-improvement. New academic staff always comment on how much they are enjoying their time in the classroom and the joy of marking RMS homework. Yes, this last statement is genuinely true! RMS pupils wish to succeed and do well, and helping them is wonderfully rewarding.

So what else can you expect if you were to join the RMS team? Well, we absolutely value our staff. Good teachers are ever more difficult to recruit and we firmly believe in giving all our colleagues opportunities to develop their careers within the school. Of course, external CPD is important, but we also offer internal training such as our Middle Leaders Development

Programme as well as opportunities to take on increased responsibilities. For example, we recently recruited six Pedagogy Leaders who are helping to drive change whilst broadening their own skill sets. And, there is no shortage of innovation here. RMS Edge, our new inspirational Sixth Form programme, is a perfect example of what we do best in providing pupils with a rounded sixth form experience that prepares them for twenty-first century and that also ensures they are stretching their academic potential to the maximum.

Like all schools, RMS is constantly evolving. In any organisation, a change at the top often brings change further down the food chain and we are no exception. I do not doubt that our current staff will tell you that there has been a not insignificant degree of change over the last two years and there is still much to do. You would be joining the school at an exciting time and we want all the team to get involved in helping to shape and deliver our vision going forward.

Many of our staff live on site, we have fifty residential properties spread around the grounds, and RMS has a strong family ethos. There are young staff who have come here as NQTs as well as many experienced teachers who have a wealth of wisdom and experience which they are happy to share. For those who want the bright lights, thirty minutes on the tube will get you to Central London, and for those who don't, a walk around our 315 acres of parkland on a summer evening is hard to beat. We are a friendly bunch and you would be made to feel very welcome very quickly whether you live on site or not.

Finally, in a highly competitive market, RMS is thriving. Not only were we delighted with our results last summer but this year we have the highest number of girls in the Senior School since records began. Construction on a new Performing Arts Centre is currently taking place and we are excited about the prospects for the next few years as we work together to move the school forwards.

I do hope that you will decide to make an application to join us on that journey and to come in to see the school for yourself so that we will have the chance to meet in person.

Very best wishes,

**Kevin Carson, Headmaster**

# The School

RMS has an exceptional, unusual and distinguished history. One of the oldest girls' schools in the country, the School was founded by Chevalier Ruspini in 1788 with the purpose of educating the daughters of Freemasons who were unable to support their families through death, illness or disability. The School started with fifteen pupils and a matron in Somers Place in East London and moved twice within London until it finally settled in the magnificent grounds of Rickmansworth Park in 1934. The School became an open fee paying school in 1978 and accepts girls from all backgrounds and faiths. The majority of families associated with the School have no links with Freemasonry, with our name now largely being a reference to our past.

RMS is a day and boarding school, attracting day girls from across Hertfordshire, Buckinghamshire, Middlesex and North London, and boarders from all over the world. It is located within easy reach of Central London (30 minutes by train/underground), and is just under a mile from Junction 18 of the M25 motorway.

The School comprises Ruspini House Pre School for boys and girls aged 2 to 4, Cadogan House Pre Prep and Prep Department for girls aged 4 to 11, the Senior School, and Hind House Sixth Form Centre. The School currently has around 970 pupils, of whom 60 are in the Pre School, 230 are in the Pre Prep/Prep Department, 520 in the Senior School and 160 in the fully comprehensive Sixth Form. Entry is by examination/interview at 4+, 11+, 13+ and 16+, with a few girls joining us at other times if places are available.

Our public examination results are consistently impressive, and around 99% of girls leave RMS to take up places at university, 92% at their institution of first choice.

# Our Values

The RMS Values are embedded in the School's ethos and, as a community, they underpin the way we work, learn and grow together. There are nine core values, one for each month of the school year. The emphasis on these values permeates the life of the school and pupils who demonstrate putting them into action in their daily life are recognised and rewarded. The Ashlar is a 'polished cornerstone' and it is a valued award given to girls in recognition of their hard work, demonstration of the school values and contributions to school life.

Our teachers describe the girls as willing learners who ask lots of questions, not because they haven't been listening, but because they have boundless intellectual curiosity and the confidence to question and explore beyond the curriculum. The pastoral team are very strong and so issues are picked up quickly and the focus is on nurturing the whole child not simply their academic performance. The broad co-curricular offer at the school and the small class sizes mean that teachers get to know each girl well and can become more actively involved in what they are doing outside the classroom.

Perhaps the greatest endorsement of this approach comes from talking to teachers who have recently joined RMS who typically make comments like, "not only are the girls respectful, they are excited to come to my lessons and are full of life". A Head of Department who joined the team in September 2018 feels that because the girls are attentive, there is space in lessons to go beyond the curriculum and do things that he wouldn't have considered in his previous job. Another said, "working at RMS goes beyond my expectations, your days glide by and teaching here is a really rewarding and positive experience".

It is with enormous pride that, as a team, both academic and support staff work together to assist the girls on their journey through the School, helping them to learn personal and academic skills until they move onto the next phase of their careers as charming, confident, thoughtful young women.

# Our Pupils

Life at RMS is centred around much more than just academic success, and the School is well known for its exceptional pastoral care, the wealth of extra-curricular opportunities it offers, and its commitment to a values-based education. We encourage our pupils to become happy and aspirational learners from their early years in Ruspini House all the way through the School to the Sixth Form in Hind House.

RMS strives to enable each and every pupil, regardless of background, to develop to the full their academic, personal and creative potential. We offer a nurturing, inclusive and supportive environment where each child is esteemed as an individual, capable of success. Education here is founded on core moral values that encourage pupils to be compassionate and tolerant; to do their personal best; to grow in integrity and responsibility and so ultimately to approach adulthood with inter-personal skills that reflect both empathy and self-confidence. As Lizzie Abbott, our Head Girl, puts it, "RMS incorporates values such as responsibility into our everyday activities and as such prepares us in all aspects for the future".

The Independent Schools Inspectorate visited in September 2017 and assessed the school as being "excellent" in all areas for the Educational Quality Inspection; this is the highest judgement that a school can be awarded. "Pupils' attitudes to learning are excellent; they take control of their learning, relish challenge, and develop confidence, self-belief and a love of learning."

The report also states that the school "successfully meets its aim to produce young women who have great self-belief, are self-aware and take the values of the school with them so that they are well placed to be outstanding citizens of the 21<sup>st</sup> century."

# The MFL Department

The MFL Faculty is staffed by ten teachers and four foreign language assistants. We are a mixture of native and non-native speakers and British teachers, all with a degree in our specialism. We are a very friendly and hard-working team, always willing to go the extra mile to ensure the best possible outcomes for all our students. We have five specialist classrooms on the ground floor, each of which contains a computer and projector. This also includes a language lab, with a computer available for each student. The faculty is well resourced and we mainly use courses with online resources to teach in all three Key Stages.

The faculty is committed to promoting the appreciation of foreign languages and culture beyond the classroom and runs a very extensive enrichment programme, which includes several residential trips to Spain, France, Germany and China. The faculty runs a number of clubs, which meet on a regular basis, these include; MFL Film Club, MFL Spelling Bee and Traditional Foreign Games, amongst others. We also offer KS4 and KS5 clinics on a regular basis and one to one appointments with girls in Years 11, 12 and 13, both with their teachers and the language assistants. An extensive enrichment programme is a very important part of the work of the faculty, supporting and extending the learning of the students and the successful applicant will be expected to play a substantial role in this.

All students study French or Spanish from Years 7 to 9. In Year 8, students have the opportunity to add a second modern foreign language including Spanish, German or Mandarin. In principle, all students must study a modern foreign language at GCSE. For French, German and Spanish we use AQA as our board. Results at GCSE have been very pleasing, showing strong value added. In Years 12 and 13, we continue with AQA as our board. Groups tend to be small (4 to 7 students), very motivated and high achieving. Our A level results have been consistently strong and over the last few years we have seen many of our girls continuing their language studies at university level, including at Oxbridge level.

# The Role

We are seeking to appoint a full-time Teacher of MFL to join our outstanding team. The faculty's results are very robust and our girls are enthusiastic about learning languages and gaining insight into different cultures. Many girls go on to study MFL related courses at university or courses that offer language learning as an extra option. The person appointed will augment a team of specialists in a friendly and well-resourced faculty.

This post would be ideally suited to a dynamic, passionate and highly qualified teacher who would be required to teach at least two languages from French, German and Spanish, with one of them being to A-level.

Potential candidates must show commitment to self-improvement and commitment to the extracurricular life of the department and of the school.

Applications are welcome from both experienced and newly qualified teachers.
