# Huxlow

## Science College

Dear Applicant,

Huxlow Science College is a medium sized secondary school (11-18), located in Irthlingborough, East Northamptonshire. We converted to Academy status in 2013. We are progressing well on our journey to becoming an outstanding school.

2018 saw Huxlow beat the national figures for the number of students gaining a grade 4 or above in English and Maths and exceed the national average for achieving a grade 5 in English and Maths. We had the highest number of grade 9s achieved by any school in the area and students at Huxlow made more progress than all other local schools. This has strengthened our position on our journey to becoming an outstanding school.

French is a very popular subject from KS3 to KS4 with a very strong success ethos. The vast majority of students are studying French at KS4 and for the past 7 years, the GCSE results have been outstanding, despite the changes brought to the exam procedures and grading.

The French department has very high expectations which all students acknowledge and value. There is also a drive for cultural awareness and strong subject knowledge in and out of the classroom.

At Huxlow we believe that students who are happy, feel safe and are taught well will enjoy school and as a result be successful.

We are passionate about caring for our students, ensuring that they are all known as individuals. Ofsted stated that "everyone in the school puts pupils' well-being at the centre of everything they do".

Students are challenged to be as good as they possibly can be and are supported to achieve this. Academic success is hugely important to us. We have a rich history of students of all abilities and from a wide variety of backgrounds achieving as well as they could.

We have highly effective support and guidance mechanisms to meet all students' needs. As a result our pupils behave well. Ofsted stated "Pupils know the high standards of behaviour expected of them" and "as a result, they behave well in lessons".

Please explore our website to gain a flavour of what it means to be part of the Huxlow Science College community. We hope you are as impressed by our school as we are and are encouraged to join us.

Brilliant students, supportive staff, excellent resources and outstanding professional development make this a fantastic school to progress your career.

Yours sincerely
