CRANMORE **ST TERESA'S**

Welcome from Headmaster

Dear Applicant

Thank you for your interest in Cranmore. Appointing the right staff is one of the most important elements of my role as Headmaster. I and my team are committed to getting to know you well during our recruitment process and giving you the opportunity to see life at Cranmore.

I am incredibly proud of my colleagues and their professionalism and expertise which are key to us delivering all round excellence across a broad curriculum enriched with co-curricular activities. In our February 2022 inspection report inspectors highlighted that the school promotes a very positive, caring and welcoming ethos and judged the quality of pupils' academic and other achievements, as well as the quality of their personal development to be 'excellent'.

In 2019, we came together with neighbouring school St Teresa's to form Effingham Schools Trust (EST), based on a diamond model – a powerful and exciting educational proposition, delivering all the advantages of both single sex and co-education to girls and boys. The partnership has proven incredibly successful, providing new opportunities for pupils of all ages. EST is delighted to be able to continue to grow with Manor House School joining the Trust in September 2023. Three modern, progressive schools, with enviable facilities will deliver best practice teaching to their pupils, whilst maintaining exceptional pastoral care.

It is a privilege to lead an excellent school with an exceptional sense of community. I hope that you will be as excited about the opportunity to join us as we are about building upon our success.

Barry Everitt
Headmaster

Maths Teacher – Roles & Responsibilities

Cranmore is at an exciting stage in its development with fully established Senior School. There is three to four form entry from Year 7. This is an excellent opportunity for an enthusiastic and well-qualified Maths teacher to join the school. The examination board is Edexcel. Top set students will have the opportunity to work towards an additional Maths qualification in Year 11. The UKMT Intermediate Maths Challenge will offer extension in Years 10 and 11. There is also a growing extra-curricular offering for pupils looking to broaden their Mathematical understanding outside of regular lessons, offering enrichment, challenge and support.

ROLES & RESPONSIBILITIES
