

APPLICATION AND RECRUITMENT PROCESS EXPLANATORY NOTE

APPLICATION FORM

- Applications will only be accepted from candidates completing the School Application Form in full. Please note that a CV will not be accepted in substitution for a completed Application Form.
- All posts in the school involve some degree of responsibility for safeguarding children, although the extent of that responsibility will vary according to the nature of the post. Please see the Job Description for the post.
- Accordingly this post is exempt from the Rehabilitation of Offenders Act 1974 and therefore all convictions and bind-overs must be declared.
- Where appropriate the successful applicant will be required to complete a Disclosure from the Disclosure and Barring Service (DBS) at the appropriate level for the post. If the candidate has subscribed to the DBS Update Service they should advise the school of this and bring their most recent DBS Enhanced Disclosure with them to interview
- We will seek references on short-listed candidates and may approach previous employers for information to verify particular experience or qualifications, before interview.
- If candidates are currently working with children, on either a paid or voluntary basis, their current employer will be asked about disciplinary offences, including disciplinary offences relating to children or young persons (whether the disciplinary sanction is current or time expired), and whether they have been the subject of any child protection allegations or concerns and if so the outcome of any enquiry or disciplinary procedure. If they are not currently working with children, but have done so in the past, that previous employer will be asked about those issues. Where neither their current nor previous employment has involved working with children, their current employer will still be asked about their suitability to work with children, although they may, where appropriate, answer not applicable if their duties have not brought them into contact with children or young persons.
- Candidates should be aware that provision of false information is an offence and could result in their application being rejected or summary dismissal if they have been selected, and possible referral to the police and/or DfE Children's Safeguarding Operational Unit.
