PART TIME SCHOOL NURSE

Information for Candidates

To start January 2024

## THE SCHOOL

Lambrook is a thriving Prep School for over 600 boys and girls aged between 3 and 13, situated in 52 acres of beautiful Berkshire countryside. The School offers an enriching and exciting experience for each child, equipping and inspiring them ready for the next stage of their educational journey and indeed, life beyond.

The School comprises of a Nursery and Pre Prep for children in the Early Years Foundation Stage and Years 1 and 2, and a Prep for children in Years 3 to 8. Lambrook offers weekly and flexi-boarding for boys and girls from age 7 to 13. There is a thriving boarding community where pupils can board anything from five nights a week to one night every so often. Boarding is seen as a happy extension of Lambrook School life with 75% of the Prep School taking advantage of boarding in some way. With 95% of pupils going on to board at their future school, Lambrook offers a great opportunity to prepare pupils for this.

Lambrook has been rated 'excellent' in every area following its most recent ISI Inspection; which included the quality of teaching, pupils' achievements, opportunities in sport, music, Performing Arts and extra-curricular activities, as well as boarding provision and pastoral care. Lambrook has an outstanding track record in preparing its pupils to go onto the leading Senior Schools in the country, including Eton, Wellington College, Winchester, Charterhouse, Downe House, Rugby, Radley, Marlborough, St Mary's Ascot and St Edwards, Oxford. We are proud of our 100% pass rate for Common Entrance and a very generous spread of scholarships across all curricular areas.

## A DISTINCTIVE APPROACH

Lambrook is a forward-thinking yet traditional school, with a strong Christian and family ethos. Founded in 1860, the School has a rich history of success and is proud of its reputation as one of the leading Prep Schools in the country. Lambrook is proud of the quality of the educational experience provided for all pupils.

With 52 acres of beautiful grounds, our own farm complete with bees, chickens, goats and lambs, an Orchard, woodland, 9 hole golf course, and endless sports pitches, our children have plenty of opportunities to explore, play, learn and of course, to get muddy! We are fortunate to have some of the best facilities in the independent sector at preparatory level; a 25 metre swimming pool, Astroturf, Hard Courts, a Diamond Jubilee Performing Arts Studio, Dance Studio and Sports Hall. 2019 saw the completion of our Queen's Building; a £6m new development which offers pupils a remarkable environment for ICT, academic learning, Art, Design & Technology and the Performing Arts.

***"We say that we give our pupils 'the feathers to fly'. Along with the academic, we believe in the importance of other 'feathers' too, including a healthy 'plumage' of sport, music, drama, the creative arts, leadership programmes, expeditions with a purpose, charitable events that make a difference and so much more. Such feathers are essential in equipping children with skills such as inner confidence, learning to work in a team and valuing others, handling success as well as disappointment, building resilience, stepping out of their comfort zones, thinking outside the box, and in so doing creating 'whole' individuals who can influence society for the good. We know that with these feathers, our pupils will go on to take flight when they leave us and to soar into the next stage of their academic journey and indeed, their lives beyond."*** Jonathan Perry, Headmaster

Thanks to the generosity of its supporters, Lambrook has been able to offer so much more to pupils at the School. Since its founding as a school in 1860, Lambrook's campus has matured considerably, combining its historic architecture with an ever-growing list of state-of-the-art facilities. Such improvements have had a transformational effect upon the Lambrook community and Lambrook has been able to offer exceptional educational opportunities to all of its pupils. As well as embarking on some exciting new building projects, the school has also been able to provide an increasing number of bursaries to those who would truly benefit.

## OUR PURPOSE

Since 1860, Lambrook has been laying the foundations for its pupils' futures. Children have one opportunity for an education which will form the basis of their lives and, at the same time, one childhood; Lambrook aims to keep a happy balance between the two.

During their time with us, we give our pupils the 'Feathers to Fly' so that when they leave us, they will spread their wings and will take flight; leaving Lambrook as confident, happy, engaging, independent and kind young people who are outward looking in all that they do.

**Inspiring** pupils from Nursery through to Year 8, offering the most outstanding breadth of educational experiences, encouraging academic intrigue and a desire to learn.

**Nurturing** and supporting all pupils through an outstanding level of pastoral care, empowering pupils to flourish and have healthy relationships with others within our vibrant and caring School community.

**Providing** pupils with an abundance of opportunities to discover, pursue and develop their skills, talents and interests.

**Preparing** our children for the next stage of their educational journey, developing the many 'feathers' necessary for their time at Lambrook, at their future senior schools and beyond.

**Equipping** our children with the skills and the confidence to understand the challenges of the world in which they live; recognising their responsibility towards others, the environment and themselves and enabling them to make a difference, both now and in the future.

This person will be a qualified Registered General Nurse with current NMC registration.

The Nurse is required to promote the health and welfare of all pupils and staff, providing first aid, medical cover and pastoral care for the Lambrook community as required.

The School Nurse will work closely with the Head Nurse, the Head of Pastoral Care, The Bursar and the Headmaster's Wife.

### **Main duties and responsibilities include but not limited to:**

- Oversee the safe and efficient working of all aspects of nursing care and first aid at Lambrook.
- Work closely with the Head Nurse to ensure compliance with national, local and school legislation, including maintaining policies and procedures in line with both national guidelines and policies for independent schools.
- To assist, support and liaise with the Head Nurse.
- To administer daily medications to pupils in accordance with current medication guidelines.
- Create or implement individual Health care plans and protocols for pupils with specific health care needs, (including allergies) and support and empower non-qualified staff in the safe delivery thereof.
- Ensure all individual health care plans are updated regularly and communicated to all relevant members of staff.
- Ensure records are kept accurately and in accordance with the relevant statutory bodies.
- To act within the Nursing and Midwifery Code of Professional Conduct at all times.
- Attend all incidents and accidents of pupils or staff and liaise with emergency services as appropriate.
- To be trained and competent to deal with accidents to pupils, staff and visitors.
- Be able to work flexibly in an environment of frequent disruption to work patterns and have sound judgements in assessing conflicting priorities and needs.
- Assess and recommend treatment for minor injuries and know when to refer on to a hospital/doctor.
- Record and sign in daily medical records, as well as any medication that has been dispensed to a child.
- Compile accurate records of visits to the Medical Centre and any medication given to pupils.
- To communicate with parents and relevant staff with regard to individual children, following accidents or illness as appropriate.
- Have a knowledge of and be competent in dealing with acute and chronic conditions relevant to this age group e.g., asthma, diabetes and epilepsy.
- Maintain EpiPens and inhalers, ensuring they are in date and kept in appropriate areas.
- Provide and receive complex and sensitive information, having the understanding and knowledge of how to react and respond with it, including medical confidentiality and data protection. Use persuasive and reassuring language in communicating to necessary people.
- Be a good listener and be able to communicate and empathise with young children and adolescents.
- Record all pastoral and safeguarding concerns on the school safeguarding software.
- Liaise with the Head of Pastoral Care and the Head Nurse to ensure appropriate children are discussed and where necessary, referred to the school counsellor.
- To be a team player and work well in a small nursing team. Occasional change in day or work may be required (with due notice) to support the nursing team to attend conferences or training to maintain the smooth running of the medical centre.
- Other reasonable requests pertaining to medical care at Lambrook from the Headmaster in liaison with the Head of Pastoral Care.

## **SALARY AND BENEFITS**

If you are currently working with children on either a paid or voluntary basis, your current employer will be asked about disciplinary offences, including disciplinary offences relating to children or young persons (whether the disciplinary sanction is current or time expired), and whether you have been the subject of any child protection allegations or concerns and, if so, the outcome of any enquiry or disciplinary procedure. If you are not currently working with children, but have done so in the past, that previous employer will be asked about these issues. Where neither your current nor your previous employment has involved working with children, your current employer will still be asked about your suitability to work with children, although they may, where appropriate, answer 'not applicable' if your duties have not brought you into contact with children or young persons.

You should be aware that provision of false information is an offence and could result in the application being rejected or in summary dismissal, if the applicant has been selected, and possible referral to the police and/or the department for Education Children's Safeguarding Operation Unit.

## WHAT OTHERS SAY

*“They say they give children the ‘feathers to fly’ we say; they help them soar” “It’s pretty bucolic: we spotted children cartwheeling on the croquet lawn, racing around with cricket bats and swinging from old tyres hanging from the trees, sporting proper rosy cheeks and a healthy outdoorsy glow. The school is anchored around a pristine, grand white country house, with a nursery and pre-prep on site. There’s a sense of delicious freedom and fresh air”*

**Talk Education**

*“A short commute from Windsor (and easily accessible from London, thanks to a handy bus service), this co-ed, flexi-boarding prep – steered by the delightful Jonathan Perry, has it all. The 52 acres of grounds include an orchard, a small farm complete with chickens, bees and pigs, and a nine-hole golf course. The arts provision is particularly impressive, with the fabulous Diamond Jubilee Performing Arts Studio staging such productions as Shrek the Musical and Chitty Chitty Bang Bang. A grounding Christian ethos (with funding from the Lambrook Foundation) ensures that opportunities are extended to the wider community, through transformational bursaries and a partnership with a school in South Africa. And to top it all off, our Tatler insider whispers, the food is absolutely delicious!”* **Tatler**

*“If you’re lucky enough to visit the magnificent white Berkshire mansion that is Lambrook on a sunny day, it is a glorious site. And if you pick a day to see the school’s 52 acres of lush prime estate at their peak of green and pleasantness, expect to see children playing under distinguished trees, with the cricket pitch and nine-hole golf course (yes, really) looking like velvet and birdsong coming from every direction....Lambrook is a happy, dynamic and unstuffy prep school in an idyllic pastoral setting where children are educated to the best of their potential. Providing a fabulous range of opportunities to broaden horizons and instil new interests.”* **Good Schools Guide**

*“Parents love the facilities, the ridiculous choice of clubs and after-school options and the head gets a good report. Their children are happy, enjoy school life and are well prepared for life after Lambrook. There’s a lot to love.”* **Muddy Stiletto**
