Position Summary: The Teacher of Design Technology (including coding) reports to the Vice Principal and is expected to teach across Key Stage 2 and some elements in key Stage 1 as well as contribute to the school's co-curricular programme. The specialist DT lessons will be taught in the newly equipped Innovation Centre, as well as our Digi pod Space. The majority of the teaching role for this position will be to develop a pioneering approach in the Innovation Centre, where KS2 classes are being introduced the advanced digital technologies of CAD/CAM, laser cutting, 3D printing, micro controllers etc., albeit through the continuation of the practical, problem solving approach of the subject. Knowledge, interest and experience in the latest developments in CAD/CAM and related technologies are therefore expected. We are seeking an outstanding, experienced practitioner with excellent contemporary design and technology knowledge and skills to further enhance new ways of learning, thinking and working in our students in our newly developing department.

General: Following the success of Shrewsbury International School Bangkok Riverside where 1700 students study in one of Southeast Asia's top performing schools, a brand new second campus has opened in the heart of the city in August 2018.

Shrewsbury International School Bangkok (City Campus) shares the same values, ethos and mission of the Riverside Campus and caters exclusively for primary aged children. 640 places will be available from Early Years 1 (Age 3+) to Year 6 (Ages 11+).

Both campuses come together to form Shrewsbury International School Bangkok and children from City Campus will graduate to Riverside in Year 7 (Age 12+).

City Campus is establishing its own unique identity and the two campuses integrate and liaise with each other creating exciting opportunities for both children and for staff.

The school operates on 25,000sqm of learning space. There are 4 major buildings which have the capacity to fit 640 students. A dance studio, air con gym, canteen, swimming pools, football pitch and running track are all designed bespoke for primary aged children.

The classrooms are designed with flexibility in mind for different learning styles and collaboration. They are be fitted with Furnware furniture and Community Playthings; a natural environment creating an oasis in the city.

The link with Shrewsbury School UK (www.shrewsbury.org.uk) is taken very seriously and, year- on- year, develops into a world- class educational partnership.
