

NOW RECRUITING

HABERDASHERS' ASKE'S  
**CRAYFORD**  
ACADEMY

## Executive Principal

Full Time, Permanent

This is a truly exhilarating opportunity for a driven and dynamic school leader to lead an all through cluster of schools to its next stage of development.

Crayford Secondary Academy opened with year 7 in 2010. It is now a cluster of one secondary and two primary schools. During its short life in Bexley, Crayford Academy has established itself as a school of first choice for the community, being significantly over-subscribed each year.

As well as leading Crayford Academy, the Executive Principal is also a member of the leadership team of the Haberdashers' Aske's Federation Trust, contributing to the future direction of the wider group of schools of which the Crayford Academy cluster is part.

This post is suitable for someone with vision and substance, who has a track record of leading improvement in a comprehensive school environment as either head or an experienced deputy head. You will need the combination of skills to lead and manage the school to the highest standards, with the ambition to ensure that Crayford Academy cluster continues to achieve even greater things for its children and young people and for the wider community that it serves.

If you are motivated by working in a challenging and supportive environment where the key outcome is our shared desire to achieve the very best for our children and young people to secure life chances from which they may not otherwise benefit, if you have the talent, tenacity and passion to lead this school and our Federation then we hope you will consider applying for this role.

To apply please complete the application form found on our website and return with a cover letter of no more than two pages to [CentralandAtlasHR@haaf.org.uk](mailto:CentralandAtlasHR@haaf.org.uk).
