Welcome

Thank you for showing an interest in becoming part of our team at The Bulwell Academy.

The Bulwell Academy is a school which encourages students to take responsibility for their actions, make the right decisions and develop a strong sense of self-belief and personal confidence in everything they do.

The Bulwell Academy is a rapidly growing school with high standards and expectations of every member of our school community. We want the best for all our students and strive to ensure we give them the best opportunities possible to achieve their full potential and be successful in life.

We are an academy who believes there are no limits to what can be achieved as we encourage all students to aim high and focus on their ambitions and aspirations. Our focus is on what students *get right* and not what they get wrong and this is reflected through our Attitude to Learning Rewards Programme which encourages students to be the best version of themselves and ensures they consider others, show kindness, and have a better understanding of the wider world outside their own community.

We are on an incredibly exciting journey as we aim to be one of the highest performing schools, and we are committed to recruiting the most dedicated, compassionate, and driven professionals to work with our students and as part of our teams. Our fundamental belief is that every child can achieve greatness, fulfil their dreams, and live happy and successful lives.

Our unwavering determination to achieve the highest standards of education, pastoral support, and safeguarding, provides our students and colleagues with every opportunity to succeed. Our insistence on exemplary student behaviour provides strong foundations upon which all can thrive. Our disruption-free classrooms set the stage for our staff to deliver our knowledge-rich and ambitious curriculum through excellent and enjoyable teaching experiences and purposeful learning.

Always learning together, we strive to be better practitioners every day. We contribute to a needs-based and data-informed CPD strategy, ensuring personal development is relevant, bespoke, and purposeful.

Whether it's progressing to one of the world's best universities or securing places with sought-after apprenticeship providers, we want leavers to be confident, competitive, caring, and happy contributors to society.

If you have the qualities to help us achieve our vision, we look forward to your application.

ABOUT CREATIVE EDUCATION TRUST

Creative Education Trust inspires and enables young people to build successful lives on foundations of learning, resilience and employability. We believe that a rewarding educational experience and the highest possible qualifications are the best way to ensure social mobility for young people.

Creative Education Trust is a growing multi-academy trust educating over 13,000 children in England. It was established in 2010 to work in England's post-industrial cities and coastal towns: areas of economic disadvantage and with a history of academic underachievement. We transform these schools by integrating a knowledge-rich curriculum with skills and creativity.

Creative Education Trust defines creativity as the ability to find connections between the things we know and turn these connections into new ideas and action. The academic arts and the sciences, practical subjects and life skills all need this creativity, and creativity is valued highly by employers. Our staff and expert advisers use imaginative methods for linking knowledge across subject boundaries, fostering personal development and resilience and developing practical skills that prepare students for their transition to adult life and employment.

SUPPORT FOR OUR STAFF

We are committed to providing our academy leaders with the highest quality support and challenge to ensure that their schools excel and give our students the education they deserve.

Our Principals and Headteachers have a good deal of autonomy as school leaders within a framework developed collaboratively with our Director of Education and our Director of Standards and Primary Education.

Each of the Creative Education Trust school benefits from a comprehensive programme of support and challenge, including working with former HMIs.

Creative Education Trust places a strong emphasis on CPD for teachers and for senior and middle leaders. We run a regular programme of training events to improve teaching performance and also provide focused management development and one-to-one coaching opportunities. We have an active cross-trust group on the Teaching Leaders programme and use Future Leaders and Teach First extensively.

We believe it is very important that each of our academies plans in such a way that financial and human resources are deployed to support their educational strategies fully. This is supported by our experienced Head Office team, who are available to advise on financial planning, audit, HR, legal and property matters either directly or by referral to our professional advisors.

Each of our Headteacher is a member of the Headteachers' Forum that meets regularly to help Creative Education Trust develop its ethos and strategy, and to share their professional expertise. As the network of Creative Education Trust schools grows, this forum has increasing value as a means of professional development and problem solving.

There are also a number of cross-group, phase leader and year-specific forums.
