May 2019

Welcome to the Alec Reed Academy.

Thank you for considering us for your next career move. Alec Reed Academy's passion is for learning. We are an all-through Academy and want our pupils to be excited by their experience in our Nursery, Primary and Secondary Phase classrooms. We are committed to supporting our pupils in achieving their very best and being confident about their futures. The combination of passionate and talented teaching, excellent support staff and facilities create an enviable learning environment where traditional values, high expectations, aspirations and creative curiosity underpin our pursuit of excellence.

We are on a very exciting and rapid improvement journey at the Academy as we move from 'good' to 'outstanding' and offer candidates the opportunity to make a real impact on the life chances of our students, together with providing excellent professional development and further promotion opportunities.

This is new post in Key Stage 3 which aims to support those pupils who have not met KS2 standards in literacy and numeracy. We are looking for an experienced Primary teacher who wants to broaden their experience and would value this exciting opportunity to work across the KS2 and KS3 phases, made possible by ARA being an all-through academy. The position is to commence in September 2019 however we are willing to wait for the right candidate.

Committed to making a difference to our community, we support each other and do whatever it takes to ensure our students reach their potential and are dedicated to maintaining a solid foundation upon which sits a focused, high achieving Academy.

It is our ambition to become a securely outstanding school and great progress has already been made. As you are aware the Academy is outer London but with Inner London pay and offers a Teachers Pension, free on-site parking, free use of the gym, subsidised meals and family friendly policies including dependents entitlement.

This is an important role to commence as soon as practicable, however we are willing to wait for the right candidate. We have pleasure in enclosing the accompanying pack in which you should find the following:-
