

APPOINTMENT OF

ROWING INTERN

FULL TIME FIXED TERM - SEPTEMBER 2023 TO 5 JULY 2024

HAMPTON SCHOOL

Hampton is one of the country's leading, most successful and best-resourced independent schools and has been helping boys to fulfil their potential and realise their aspirations for over 460 years.

We are a lively, friendly and caring School community, in which innovative teaching is underpinned by strong shared values and complemented by outstanding pastoral care. We aspire to enable our boys not only to make sense of the world but also to want to go out and improve it. Hamptonians are expected to aspire to personal best while supporting those around them with kindness and respect.

The School's examination results and university entrance record consistently rank among the best achieved anywhere. Nearly all Hampton leavers go on to undergraduate courses at Russell Group or equivalent universities. Between 20 and 30 Hamptonians are offered places at Oxford and Cambridge annually and 43 young men among the Class of 2020 have moved on to global top-10 universities; an increasing number go on to study at US Ivy League universities, often on academic and/or sporting scholarships. Our alumni network is extremely strong and former pupils remain very interested in their School, in no small part due to the exceptionally warm and mutually respectful relationships enjoyed between Hampton staff and their pupils.

Situated on a green field site in a leafy suburb of South West London, we are fortunate to have over 27 acres of playing fields within our spacious grounds and a generous investment programme ensures that pupils and staff benefit from first-class facilities across all areas of School life. These include a state-of-the-art 3G sports ground, a large Sports Hall and The Hammond Theatre, along with an excellent library and specialist facilities for Art, Music, Science, Technology, IT and Languages and our recently opened Sixth Form Study and Careers Centre. The Millennium Boat House, shared with our neighbouring girls' school, Lady Eleanor Holles, enjoys a prime location on the nearby River Thames and provides the focal point for our renowned Boat Club.

Visitors from the Independent Schools Inspectorate (ISI) concluded in March 2016 that Hampton's academic and all-round excellence merited the rarely awarded ISI assessment of pupils' achievements and learning being 'Exceptional'. The inspection team's findings in all other areas were similarly pleasing and the highest possible judgements were achieved across the board. A further Regulatory Compliance Inspection (RCI) in 2019 reported the School to be fully compliant. A copy of the full ISI reports can be found on the School website.

ROWING INTERN

Hampton is one of the country's foremost academically selective independent schools and this is an excellent opportunity to join a vibrant and successful team in a happy, high-achieving environment.

Sport is a major part of both curricular and co-curricular life at Hampton School and plays an essential role in the physical, emotional and social development of every boy in the school. We are justifiably proud of the facilities, support, expertise and talent provided by the Games and PE Departments.

This position represents an outstanding opportunity for an aspiring Rowing Coach to join Hampton School from September 2023. The successful candidate will be passionate about rowing and ideally hold British Rowing and RYA L2 Powerboat qualifications. You will be highly motivated, enthusiastic and dedicated to ensuring the best outcome for Hampton Rowers.

Boys in the First to Fourth Years have a double period of Games each week; the Fifth Year, Lower Sixth and Upper Sixth share a triple period each Wednesday afternoon. Unlike at many other schools, Hampton pupils can choose their preferred sport and have a wide choice.

We compete in prestigious local, regional and national competitions as well as holding regular fixtures with schools from across the region. It is expected that boys treat themselves, their opponents and all officials with proper respect and courtesy and they are encouraged to play with a sense of adventure and freedom without self-indulgence.

We do not encourage dour, percentage-driven sport but sport with a sense of fun in the right measure. By the same token we understand and respect that some boys will play sport for leisure or health reasons rather than competitively.

Each major sport has its own Master-In-Charge. The staffing of Games at Hampton is generous. In addition to the PE Staff many of the academic staff are talented sports people and they offer additional teaching and support on the sports field. We are also fortunate enough to have regular visits from outside expert performers and specialist coaches.

ROWING INTERN

Reporting line: Director of Rowing

THE DEPARTMENT

Hampton aspires to be one of the top rowing schools in the country and it is a very popular sport amongst our boys.

The boys row on the Molesey stretch of the River Thames which is just a short run from the school. Our facilities are outstanding with a superb boathouse and impressive fleet of boats.

The school has a dedicated coaching team headed by its own, full time Director of Rowing, Colin Greenaway, a former international athlete and Junior International Coach for the Great Britain Team.

Pupils begin learning the discipline in the Third Year when they will be taught to scull. The emphasis is on enjoyment and watermanship. There are regular training camps in the holidays, some at the Boathouse, but also in Spain and Belgium.

Old Hamptonians, including Karl Hudspith (President of the Oxford University Boat Club 2012), the Livingston brothers and the Smith brothers have competed in the Boat Race. The Searle brothers are also well-known Old Hamptonians and Olympic Gold Medallists. (Greg Searle was part of the Bronze Medal GB Eight, London 2012 twenty years after his Olympic Gold in Barcelona 1992).

Hampton's rowing department has a thriving Parents' Association which raises funds to support our rowers.
