Headteacher: Paula Hearle

Chair of Governors: Ian Jones

Date as Postmark

Dear Applicant

Workshop Technician

Thank you for requesting the application pack for the post of Workshop Technician – Level 2.

The normal working day is 8.30am – 4.30pm, with 30 minutes for lunch.

Please use the person specification and job description to help complete the application form, and give examples of relevant experience wherever possible. The list of responsibilities is not exhaustive but is intended to give you a flavour of the variation in work that you will experience over a typical academic year.

It is appreciated that there will be areas where you may not have the experience, but we would encourage you to work to your strengths as we will provide opportunities for further training, where necessary. The Design and Technology Department prides itself on being a supportive and rewarding environment.

The closing date is midday on Monday 21st January 2019. Interviews will be held on Friday 25th January 2019. Unsuccessful applicants will not be contacted.

If you have any further questions, please do not hesitate to contact me via telephone or email r.morris@ludlowschool.com.

Thank you for your interest in the post.

Yours sincerely

Rowena Morris

School Business Manager

Ludlow CE School is a partner academy of the Bishop Anthony Educational Trust
