

SHREWSBURY INTERNATIONAL SCHOOL

BANGKOK • CITY CAMPUS

Shrewsbury International School Bangkok City Campus

Job Opportunity

Position / Job Teacher of Design Technology (including robotics/coding)

Specification:

Posting Date: 10 November 2020

Closing Date: 14 December 2020

Department: Academic

Salary: Shrewsbury International School QTS salary scale applies.

Benefits: An excellent international package of benefits including:

- Two-year contracts;
- Excellent brand new accommodation close to the city centre Bangkok for singles and couples is available adjacent to the school at Maitria (<https://www.maitriahotels.com/hotelrama9bangkok>) There will also be the option for singles, couples and families at Bangkok Garden, a short journey from the school (www.bangkokgarden.com). The accommodation is provided free of charge, although a small tax deduction is made at source. There is also an option to “live out” with an allowance given for this.
- Flights at the beginning and end of each contract;
- Relocation allowance at the beginning and end of employment;
- Medical insurance with CIGNA;

- Generous support for personal professional development

Position Summary:	<p>The Teacher of Design & Technology (including robotics/coding and 'DEC' Design, Engineer, Construct) reports to the Vice Principal and is expected to teach across Key Stage 2 and some elements in Key Stage 1, as well as contribute to the school's co-curricular programme. The Specialist D&T lessons will be taught in the newly equipped CAD Innovation suite, D&T workshop, Art room and Food Technology kitchen. The department houses a full suite of laptops, a 3D printer, laser cutter, vacuum former, sublimation printer, heat press, sewing machines, a variety of wood working tools and machinery, a full suite of robots and a fully equipped kitchen. The ideal candidate would be able to teach across all areas of Design and Technology and would have the skills to continue developing the advanced digital technologies of robotics and coding, CAD/CAM including laser cutting and 3D printing, as well as the children's designing, practical and problem-solving skills, through delivering exciting and engaging lessons. Therefore knowledge, interest, and experience in the latest developments in CAD/CAM and Design & Technology are expected. As previously mentioned, we also deliver the 'DEC' Design, Engineer, Construct course which focuses on Architecture and Engineering and an ideal candidate would also be willing to continue this provision and deliver 'DEC' awards to the children. We are seeking an outstanding, experienced practitioner with excellent knowledge and skills to further enhance new ways of learning, thinking, and working with our students in our newly developed department.</p>
General:	<p>Shrewsbury International School Bangkok City Campus is a purpose-built primary school in the heart of Bangkok. The campus is designed specifically for children aged 3-11 years old. 672 places are available from Early Years 1 (Age 3+) to Year 6 (Ages 11+).</p> <p>The school operates on 25,000sqm of learning space. There are 4 major buildings, which house state-of-the-art facilities for Early Years, Primary, Sport and Creative Arts.</p>

City Campus opened its gates in August 2018. It builds on the success of Shrewsbury International School Bangkok Riverside, where 1,700 students study from ages 3-18.

Both City Campus and Riverside share the same values, ethos and mission. The campuses come together to form Shrewsbury International School Bangkok, and children from City Campus will graduate to Riverside in Year 7 (Age 12+).

The campuses work closely together to create exciting and unique opportunities for both children and for staff.

Candidate
Profile:

The successful candidate:

- will be a dedicated Design and Technology teacher capable of inspiring students;
- will have a full working knowledge of the English National Curriculum and an ability and aspiration to attain high standards;
- will have either experience of working with English Language Learners (ELL) or a desire to broaden his / her experience and skills in EAL teaching and learning strategies;
- will have assessment for learning skills;
- will have a flexible approach to working within the school curriculum and structures;
- will have demonstrated an appreciation of the value of the extra-curricular dimension in developing the potential of students;
- will have excellent interpersonal skills and a positive approach to professional development particularly in the areas of EAL and ICT;
- will be globally minded;
- will have the ability to work within and apply all school policies e.g. behaviour management, child protection, Health and Safety, Equal Opportunities etc

Child
Safeguarding:

Shrewsbury International School is committed to Safeguarding and promoting the welfare of children. The successful candidate will be

required to

- attend in-house Child Safeguarding programmes
- promote and safeguard the welfare of all students in the school
- report to the Child Protection Officer any concerns they have for the welfare of a student. This may include unsafe practices witnessed within the school as outlined in the school's Speak Out (Whistleblowing) Policy.
- keep professional relationships with students where personal boundaries are respected and maintained
- seek advice from a Line Manager or Child Protection Officer with issues or concerns related to Child Safeguarding.

Requirements:

- Enhanced Disclosure and Barring Service Check (DBS) prior to the start of contract.
- Formal proof of identity with photo ID (Original Driving License / Passport).
- 2 signed, confidential references (one of which will be from the candidate's current headteacher) before the start of contract.
- Verification of original qualifications.

How to Apply:

Applications will be only be accepted on the official Shrewsbury International School Application Form, which is available on the school website "Job Vacancies" page.
