September 2023

Dear Colleague,

Thank you for your enquiry about the vacancy for the post of teacher of Science at Morpeth School. We are pleased that you are interested in finding out more about working here. We would welcome applications from science teachers who are looking for either full or part time work and although we are specifically seeking a teacher with a chemistry specialism, we would welcome applications from all science teachers.

Please see the school website www.morpethschool.org.uk for further information about the post, some background information on the school, the job description/selection criteria and the application form. **Please note that candidates will be expected to address the Selection Criteria in the supporting statement section of the application form.**

If you cannot access the recruitment pack or application form from the website, it is available from the HR Officer, Pedro Cedenro (recruitment@morpeth.towerhamlets.sch.uk) or a paper copy is available from the school office on the number below.

Please return your completed application form to **Pedro Cedenro - HR Officer**, by email or to the school address by **noon on Monday 2nd October**. Successful applicants will be contacted by telephone/email and invited for interview at the school. Unfortunately, we are not able to contact unsuccessful applicants individually.

Please note that as this post involves working with children, it is exempt from the Rehabilitation of Offenders Act 1974, which means that all convictions, cautions and bind-overs (including those regarded as 'spent' for other purposes) must be declared if you are invited to interview. Please see the application form for further details.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Jemima Reilly'.
