As a school community, we are very open minded and ready to embrace new and exciting challenges together.

Firstly, I would like to start by inviting you to visit our school so that you can see it in action. If you have a moment, look at our website: www.wexhamprimary.com. We have saved a video for you, under the 'Working for Us' tab, or check out our Twitter page to truly gauge what we get up to @WexhamPS.

The children at Wexham are delightful and I feel privileged to be a part of their learning journey and immensely enjoy their company. The staff and pupils have a mutual respect and work well as a team. The behaviour is excellent, pupils demonstrate a love of learning and really care for their teachers. We passionately believe in our vision which is to ***'prepare every child to be a successful individual in an ever-evolving world'*** and it permeates throughout everything we do. Our curriculum helps children master the following areas so that they achieve this vision:

Resilience

Communication

Creativity

Curiosity

Community

Our Enquiry project-based curriculum is unique to our school and reflects our values. Led by a member of our highly skilled curriculum team, all staff are given time out of class each term to plan termly Enquiry units, building upon the interests and passions of the teachers and pupils. Our Wellbeing curriculum comprises of PSHE, RE and both mental and physical health. It encourages pupils to self-reflect and clarify their views as a person. Maths in the school is excellent due to our Maths Mastery approach and Talk for Writing enables us to have a very talk rich curriculum. We work with a number of partners to enhance our teaching and carry out joint projects and trails enabling staff to participate in high quality CPD and work with other settings.

We believe teaching is hard and therefore planning and marking is kept to a minimum, giving more time to teach our lovely pupils.

Professional development is highly valued; therefore, we are keen to recruit a practitioner who has ambitions to develop further; be it through our bespoke NQT programme, middle leadership development or leadership aspirations. The suitable candidates would receive our support in developing further in their teaching and leadership roles.

This school is a truly unique and wonderful place to work. I would strongly recommend a visit so that you too can meet our lovely pupils and staff and see the school in action.

I look forward to hearing from you soon.

Kind Regards,

Miss Navroop Mehat
Head Teacher

Letter written by teachers for you

Dear Applicant,

We are delighted that you have shown an interest in Wexham Court. We want to let you know some of the key things about working at Wexham. First of all, what you see is what you get. The children are truly amazing, and all leaders are approachable and go out of their way to help.

We take a consistent approach to behaviour across the school and emphasise positive encouragement and reflection on bad choices. As a result, children are very well-behaved and truly enjoy coming to school each day.

The parents are supportive and form an important part of our school's wider community. They often thank us for our hard work and even bring food in during parent's evenings. They understand that we work hard and allow us the space to do our job.

As we all know, teaching is a highly-valued but sometimes stressful job. Our senior leadership team are aware of this and have made teacher wellbeing a high priority in the school. Teachers are given time out of class at 'crunch' times in the school calendar, such as during report-writing, large assessments or important curriculum planning days. If you are struggling, there is always somebody to help or chat to. Our new Wellbeing and Mental Health team are bringing an ever-more positive and supportive working environment to all our staff.

There is also a strong culture of continued professional development at Wexham. Our teaching ranges between good and outstanding and we regularly create opportunities to learn from one another. All staff training is informed by cutting-edge research, which means that staff are given regular opportunities to develop their practice. Through learning and sharing practice together, our staff team have become a strong community of ambitious professionals.

Wexham has pioneered a unique approach to teaching the Foundation subjects that has been recognised by other schools in the area. We call this our 'Enquiry' curriculum. Taught through a series of investigations into 'Big Questions', our Enquiry curriculum aims to develop children's resilience, communication and creativity alongside their subject knowledge. Enquiry puts problem-solving and collaboration at the heart of learning. We believe this is vital if we are to properly equip our children for an ever-evolving future.

The school also has an outstanding and bespoke NQT programme and student support package which has been replicated by the Local Authority. All NQTs are out of class together each week with their Learning Mentor, usually undergoing high-quality training targeted at improving their practice.

Wexham provides a warm community with many other benefits. The school pay for all hot drinks and provide lots of treats such as an Easter breakfast, and FUN DAY Friday treats and events. Our school also has excellent resources such as IPADS, new interactive smart boards, science and art supplies and a school radio. The school has health care benefits such as counselling and physiotherapy. If you are keen, you can even join the staff netball team.

The most important thing to know is that we are a really strong team and need staff who are enthusiastic, ambitious and forward thinking. Come in and have a chat with any one of us and we will be more than happy to answer your questions.

Finally, come and see the school first hand – it is like no other.

WEXHAM COURT PRIMARY SCHOOL

History of the School

Wexham Court Primary School has served as a place of education for the children of families that have come to settle in Slough since the 1950s. Pupils, parents and the community, value the school as a centre that promotes cross-cultural learning, develops life skills and promotes an energetic and creative approach to learning.

The school is situated in extensive grounds on the site of a farm estate that dates to the 13th Century. The school's name is based on the manor house, home farm and church that were all part of a moated complex, known as Wexham Court Estate. The Parish Church of St Mary's Wexham, built in the 12th century, remains largely unchanged on land near the School.

Today, Wexham Court Primary School still retains its grass areas for sports and play, a wooded nature trail that grows on the site of the medieval moat, oak trees that were planted in the 18th Century and a refurbished barn from the early 19th century. These historic features provide a valuable natural learning environment for the pupils and make it a school that is unique in the area.

The site has a poly tunnel and various raised beds, in which all pupils grow their own produce. This is later served in the canteen or entered into the 'Stoke Poges Horticultural Show', which we have won six years running.

Wexham has many awards; such as the Sustrans Cycling Cog, Investors in People Gold, RWI Phonics Badge of Excellence, Bristol Standards, Healthy Schools to mention a few and we are an Active Movement School. We believe competition is healthy and use our house system to organise events throughout the year.

The school badge reflects its history, with images of an acorn, wheat-sheaf and moat.
