#### General Information

King's House School was founded in Richmond in 1946 and has been a boys' prep school from that time on. The school operates on three sites in or around King's Road, which is on the very pleasant setting of Richmond Hill. The Senior Department (for boys from Year 4 to Year 8) is at 68 King's Road, the Junior Department on its own site just down the hill, and the Nursery around the corner in Princes Road. The school also has extensive playing fields just over Chiswick Bridge, where there are numerous pitches including a new full-size 3G one.

Most boys join the school in the Nursery (which is co-ed) or Reception but there are small intakes at Years 3, 4 and 7. Boys stay until 13 when they move on to a wide range of day and boarding schools, a number each year gaining scholarships.

The Nursery operates from its own site in a carefully restored building on Princes Road. The youngest children, the Caterpillars, are based on the top floor and the Butterflies (the rising 4s) on the ground floor. There is a very positive, caring atmosphere to the Nursery and the ground floor has an area set aside for Music. The Nursery has its own dedicated staff supplemented with specialists from the school PE, Music and IT departments.

The Junior Department (JD) is housed in two Victorian buildings which have been sensitively redesigned and linked to provide an exciting and stimulating environment for the pupils. There is a two-form entry with about forty boys in the year group. This number grows to about 48 in Year 3 with three forms. The class teachers deliver the vast majority of the curriculum but boys do have lessons with specialist teachers for Music, French and PE and Games and in some years, Computing. All boys take swimming lessons at a local pool and Years 2 and 3 use the Senior Department (SD) facilities for some subjects.

Boys move to the Senior Department site for Year 4. This is the original school site and has been developed substantially since then. It is a deceptively large area which includes the school's theatre, gym, astro turf pitch, two Computer rooms, two Science laboratories and Music area. There are three forms in each year group. Forms are mixed-ability in Years 4-6, with some subjects setted, and streamed in Years 7 and 8. Boys experience increasing exposure to subject specialist teachers, who will teach a range of year groups and sometimes more than one subject. The curriculum the boys follow prepares them for Common Entrance at the end of Year 8.

Throughout their time at King's House, the boys are encouraged to take part in art, drama, music and sporting activities. There are productions every year for all year groups, concert and other

performance opportunities for music, and numerous games fixtures and other sporting activities. There are also numerous outings for all year groups and residential trips as the boys get older.
