Learning Development Teacher

Start: September 2025

We are looking to appoint a dynamic and enthusiastic qualified teacher to work within our dedicated Learning Development Team, supporting pupils up to and including A level/BTEC Level 3.

Work may include supporting pupils individually or in small groups, with some involvement in assessment and administration.

The successful candidate will have an interest in specific learning differences and will be willing to develop this aspect of their teaching repertoire. It would be an ideal appointment for an energetic NQT or an experienced teacher with an interest in Special Educational Needs, preferably with teaching experience in a senior school.

A commitment to contribute fully to the extra-curricular life of this busy, seven day a week full boarding school would be expected.

You will be part of a friendly and supportive team, and training will be available to enhance skills. Staff also benefit from complimentary parking, refreshments and a daily lunch.

Further details may be obtained from our website or via email at hr@miltonabbey.co.uk. Applications must be submitted on the school's application form. The closing date for applications is **Thursday 24th July 2025**. We reserve the right to close this vacancy early if we receive sufficient applications for the role and we reserve the right to interview and appoint suitable applicants before the application's closing date. Please note that we do not accept applications for this position through any employment agency and all applications should be made direct to the school.

Milton Abbey School is committed to safeguarding and promoting the welfare of children. The appointment will be the subject of an enhanced disclosure from the Disclosure and Barring Service. Additionally, please be aware that Milton Abbey School will conduct online searches for shortlisted candidates. This check will be part of a safeguarding check, and the search will purely be based on whether an individual is suitable to work with children. To avoid unconscious bias and any risk of discrimination a person who will not be on the appointment panel will conduct the search and will only share information if and when findings are relevant and of concern.

Please note that our school is a no smoking site.
