## UNIQUE STRUCTURE

### Diamond model school

Bury Grammar School is a 'diamond model' school which means that it combines both single-sex and co-educational teaching in the same organisation.

The youngest children are taught in co-educational teaching groups in the purpose-built Kindergarten and Infant School. Pupils are then taught in single-sex teaching groups in separate buildings from Year 3, which continues until the pupils complete their GCSEs, although there is some co-educational teaching. After GCSEs pupils progress into the purpose-built co-educational Sixth Form for their A Level study.

We believe that our model provides the 'best of both worlds' within our family of schools. During the pupils' formative years (between Years 3-11) they have the focus of single-sex teaching and tutor groups which allow lessons to be specifically tailored to their needs.

Pupils are able to mix socially outside of lessons and extra-curricular activities are mixed.

## FACILITIES

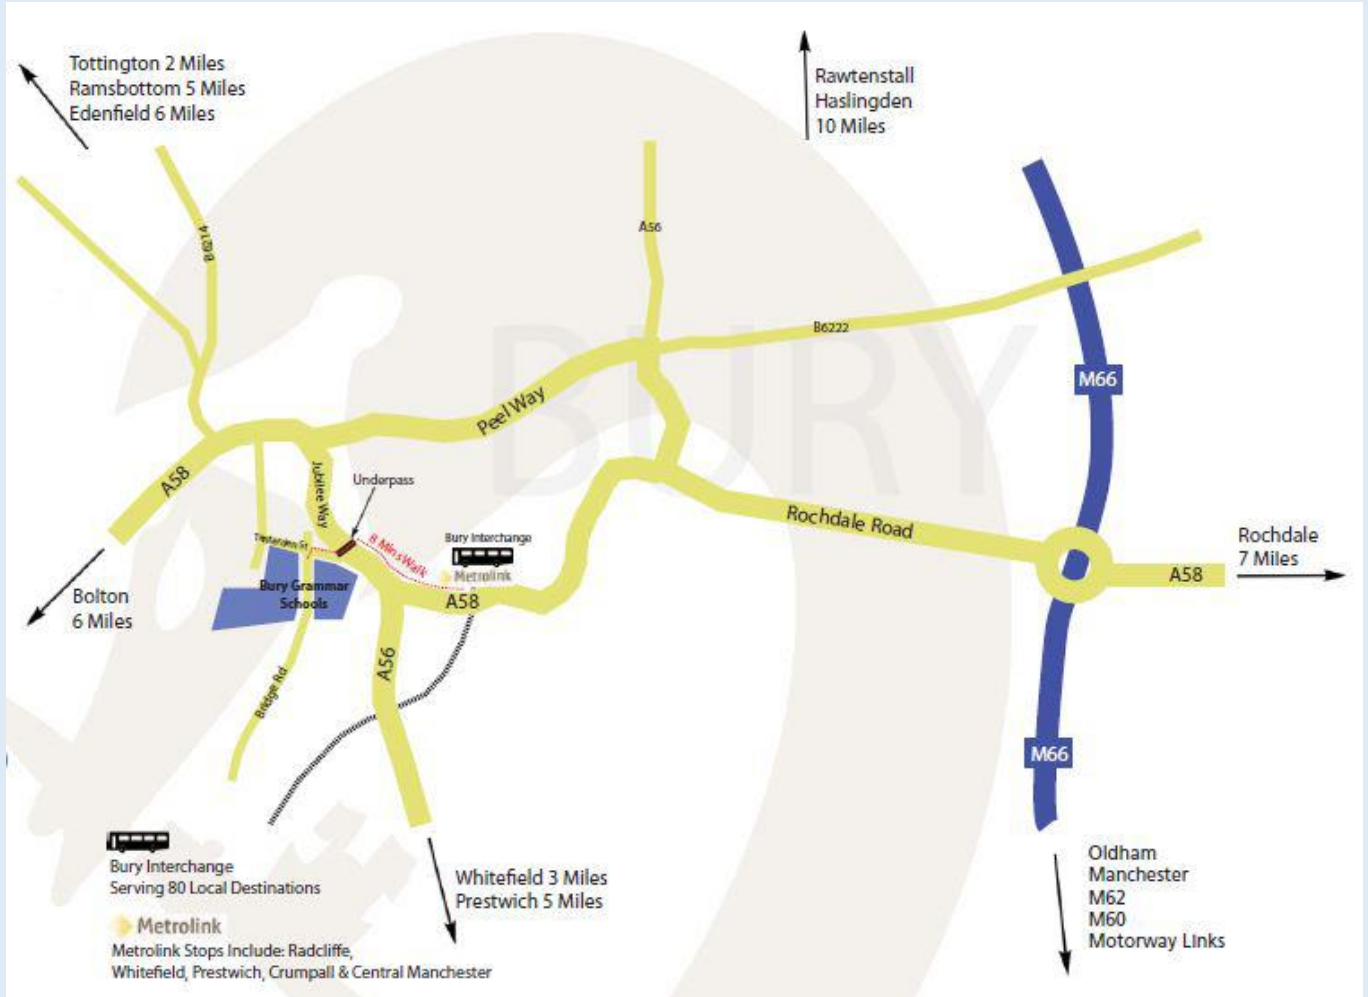

Bury Grammar School dates back to 1570 but the current campus was established in 1903 and is located in a leafy, 45-acre estate in Bury, Lancashire. Although much of our Girls' Senior School dates back to 1903, we have added to the estate in almost every decade since, ensuring that the School provides a sense of grandeur and tradition along with leading-edge architecture and facilities to all our pupils. The estate allows the School to offer extensive sporting and enrichment activities to all our pupils and provides an ideal learning environment for all academic subjects.

## HOW TO GET TO BGS

Our Schools are based in the heart of the Lancashire countryside in the centre of Bury and are very easy to reach with the M66, M60 and M62 just minutes away. It is a five-minute walk from the Bury Interchange.

Bury Grammar School is a leading academic institution and the school of first choice for pupils, parents and staff in the area.
